years from the date of my birth before my birth month and day 9 18 connect with a year that will again produce a 33 6 Rare in every way My pops had Master s degrees in Mathematics and Chemical Engineering but also a personality disorder and I was severely beaten and belittled most of my first 20 years In my second 20 years I thought I overcame the trauma undergraduate and graduate degrees with honors marriage and a job as the numbers man on hostile takeover transactions which would equate to the recapitalization of around a half trillion dollars of assets using current stock market levels My wife however went off the ranch while I was doing that leaving me back at square one beaten and belittled as worthless I turned to Higher Spiritualism for an answer and it turns out I came to the planet to live exactly this life to overcome it and to help others do the same In two generations we will likely have 25 billion people on the planet leading to catastrophic collapse If so only higher order consciousness can alter that outcome Sex money and power consciousness can not I would be honored if you would read my book and get in the game
