Tom's Crossing Mark Z. Danielewski, 2025-10-28 NEW YORK TIMES BESTSELLER From the bestselling author of *House of Leaves* comes a magisterial novel about two friends determined to rescue a pair of horses set for slaughter This is an amazing work of fiction I absolutely loved it At the heart you ll find a blood drenched story of pursuit and two brave and resourceful children But there s so much more I immersed myself Have never read anything like it Stephen King Hard to figure how so much awful horror could ve started out with just them two horses and not a one yet named While folks still like to focus on the crimes that shocked the small city of Orvop Utah back in the fall of 1982 not to mention the trials that followed far more remember the adventure that took place beyond municipal lines For sure no one expected the dead to rise but they did No one expected the mountain to fall either but it did No one expected an act of courage so great and likewise so appalling that it still staggers the heart and mind of anyone who knows anything about the Katanogos massif to say nothing of Pillars Meadow As one Orvop high school teacher described that extraordinary feat just days before she died Fer sure no one expected Kalin March to look Old Porch in the eye and tell him You get what you deserve when you ride with cowards
