## **Transitions To Parenthood:**

**Transitions to Parenthood** Robin J Palkovitz, Marvin B Sussman, 2014-01-09 In this unusual but exciting look at a complex topic family scholars offer a vast array of insights into the multiple consequences concerns and characteristics of parenthood The transition to parenthood the most critical step in individual and family life cycles is thoroughly examined from a social psychological perspective Cultural and ethnic factors are considered as major influences in the transition to parenthood as are changing patterns in the work force the consequences of the gender revolution and altered patterns of marriage and divorce all of which have shattered the traditional ways of parenting Family theorists practitioners and parents are strongly encouraged to further research and discuss the necessary elements and available options involved in facing the changes brought on by parenthood

**The Transition to Parenthood** Jay Belsky, John Kelly, 1995 Featured on Oprah and excerpted in Glamour magazine this exploration of the positive and negative effects the birth of a child has on a marriage is based on the largest most comprehensive study of couples entering parenthood ever conducted

*Transition to Parenthood* Roudi Nazarinia Roy, Walter R. Schumm, Sonya L. Britt, 2013-09-11 Transition to Parenthood moves beyond a one study focus and captures multidisciplinary work on all families making the transition to parenthood The book covers societal trends changes and most importantly expectations Focus is also placed on how families are impacted by their surroundings and their individual members Strengths and limitations of current theories are discussed as well as how the phenomenon of parenthood requires a combination of both macro and micro level theories

**Transitions into Parenthood** Sampson Lee Blair, Rosalina Pisco Costa, 2019-11-25 Around the globe the very conceptualization of family is associated with the relationship between a parent and a child The birth of a child represents both the end of one experience and the beginning of another

*Transition to Parenthood* Ralph LaRossa, Maureen Mulligan LaRossa, 1981-03 A sociological study of how the birth of first and second children affects parents It uses in depth interviews with 20 couples taken during the third sixth and ninth month after the birth of a child to monitor changes in the marriage sex roles and attitudes of the parents and to explore the social context in which they occurred The authors point out and this reviewer readily agrees that several things make this book unique First it is grounded in sociological theory Second the book is about early parenthood from the parental perspective Last the study explores both first and second time parenthood Contemporary Sociology March 1982 Vol 11 No 2 This book is unique in many ways

**Gender and the Transition to Parenthood** Kristin D. Mickelson, Kristen Marcussen, 2023-03-15 This book provides a new approach by examining gender and the transition to parenthood by using the actor partner interdependence model Unlike other books which focus on the individual perspective of becoming a parent especially for mothers this book examines how couples and individuals successfully navigate this important life passage This book covers a mix of psychological and sociological studies on the transition to parenthood Readers will learn about the affective behavioral and cognitive aspects of this transition in early 21st century America and how it has changed in the past

three decades The book is aimed at graduate students researchers and professionals who are interested in an interdisciplinary approach to this most formative passage in adult life By bringing together past and current research this book tells the story of becoming parents in 21st century America from his her and their points of view Actor partner interdependence model approach Affective behavioral and cognitive processes Broad review of gender and the transition

*Couples' Transitions to Parenthood* Daniela Grunow,Marie Evertsson,2016-10-28 It is common for European couples living fairly egalitarian lives to adopt a traditional division of labour at the transition to parenthood Based on in depth interviews with 334 parents to be in eight European countries this book explores the implications of family policies and gender culture from the perspective of couples who are expecting their first child *Couples Transitions to Parenthood Analysing Gender and Work in Europe* is the first comparative qualitative study that explicitly locates couples parenting ideals and plans in the wider context of national institutions *The Transition to Parenthood* Marc Stewart Schulz,1989

*The Transition to Parenthood, Stress, and Individual Differences* Nancy A. Smider,1993 *The Transition to Parenthood* Gerald Y. Michaels,Wendy A. Goldberg,1988-10-13 This 1988 book brings together leading scholars from a range of disciplines concerned with the study of the transition to parenthood The text discusses the reasons why some new parents experience an enhanced sense of self and a deepening of important relationships whereas others experience crisis and conflict **The Development of the Parenting Partnership Over the Transition to Parenthood** Laurie A. Van Egeren,1999

**Thinking about the Baby** Susan Walzer,2011-01-19 Interviews with new parents about the gendered roles of mother and fatherInterviews with new parents about the gendered roles of mother and father *The Oxford Handbook of the Physiology of Interpersonal Communication* Lindsey Aloia,Amanda Denes,John P. Crowley,2020 *The Oxford Handbook of The Physiology of Interpersonal Communication* Provides a comprehensive review of research on the interplay between communication and the body within personal relationships Uses a theory based approach and research methods to examine the influence of physiology on interpersonal communication Identifies key communication theories in the study of physiology and communication Considers the advancement of theoretical perspectives regarding physiological research Book jacket

*Men's Transitions To Parenthood* Phyllis W. Berman,Frank A. Pedersen,2014-02-24 First published in 1987 After many years of neglect research on fathers is proliferating Rapid changes are now taking place new aspects of fathers behavior are being examined new issues are being raised and new methods are being devised In the spring of 1984 a 2 day conference was organized by the National Institute of Child Health and Human Development to explore theoretical and methodological questions concerning men s development of parental attitudes behaviors and roles from their children s prenatal period through early infancy Most of the researchers who participated in the conference are still working with longitudinal projects that continue to trace the development of fathers throughout their children s early years This book presents the work of eight of these investigators *Transitions to parenthood in Europe* Ann Nilsen,Julia Brannen,Suzan Lewis,2013 This collaborative

study provides a subtle and multi layered understanding of the transition to parenthood within a cross national comparative framework

**Sourcebook of Family Theory and Research** Vern L. Bengtson, 2005 Now available in paperback for classroom use This comprehensive text provides a rich source of perspectives on theorising about the family for scholars researchers and students Another of the book s strengths is the emphasis on multimethod approaches in family research The book covers an impressive range of topics and issues marital happiness adjustment of children in divorce marriages gay marriage sibling ties ethnic families of colour stepfamilies aggression culture work and family religion and social policy to name a few In summary this superb volume is highly recommended and amply reflects the many contemporary perspectives on the family Philip Siebler Monash University Victoria Sponsored by the National Council on Family Relations the Sourcebook of Family Theory and Research is the reference work on theory and methods for family scholars and students around the world This volume provides a diverse eclectic and paradoxically mature approach to theorizing and demonstrates how the development of theory is crucial to the future of family research The Sourcebook reflects an interactive approach that focuses on the process of theory building and designing research thereby engaging readers in doing theory rather than simply reading about it An accompanying website offers additional participation and interaction in the process of doing theory and making science Editors Vern L Bengtson Alan C Acock Katherine R Allen Peggye Dilworth Anderson and David M Klein have brought together a prominent group of diverse contributors ranging in race and ethnicity age and seniority and gender and sexual orientation The Sourcebook begins with a section that sets the context for future family research The subsequent sections explore changing family patterns changing family interactions within and across generations and families and larger social forces A concluding section discusses issues of teaching family theories and research Key Features Focuses on the process rather than the outcomes of family theory and research methods Emphasizes the value of multi methods approaches in family research by integrating theory development with the development of research methods Differs from many other publications on family research by describing the development of new ideas rather than just summarizing existing findings The interactive Web site and the special feature boxes within the chapters engage readers with theory and methodology Boxed features include Case Studies Spotlights on Theory Spotlights on Methods and a Discussion and Extension sections Represents a Who s Who of family researchers with contributions from many of the best researchers in the family realm The Sourcebook will be an excellent addition to any academic library It is an authoritative reference for scholars and researchers in Human Development and Family Studies Sociology Social Work and Psychology In addition the Sourcebook can also be used in graduate courses on family theory and methodology

**Couples' Transitions to Parenthood** Charlotte Faircloth, 2021-07-10 This book argues that new parents are caught in an uncomfortable crossfire between two competing discourses those around ideal relationships and those around ideal parenting The author suggests that parents are pressured to be equal partners while also being asked to parent their children intensively in ways markedly

more demanding of mothers Reconciling these ideals has the potential to create resentment and disappointment Drawing on research with couples in London as they became parents the book points to the social pressures at play in raising the next generation at material physiological and cultural levels Chapters explore these levels through concrete practices birth feeding and sleeping three of the most highly moralised areas of contemporary parenting culture

**Stress and Coping in the Transition to Parenthood of First-time Mothers with Career Commitments, an Interpretive Study** Victoria Wynn Leonard,1993 *Couples' Transitions to Parenthood* Charlotte Faircloth,2021 So then what is equality in this instance asks a mother to be in Faircloth s incisive study of shifts in the couple dynamic once a baby arrives This question is at the heart of her book In addressing it Faircloth combines her own acute analysis with illuminating reflections from parents themselves casting fresh light on how couples navigate the highly gendered experience of early parenthood and what it means for their relationship Rebecca Asher Author of *Shattered Modern Motherhood and the Illusion of Equality* 2011 A sensitive analysis that shines a light on the acute difficulties in translating the ideals of parenting equality into reality Esther Dermott Professor and Head of School for Policy Studies University of Bristol UK and author of *Intimate Fatherhood* 2008 This book argues that new parents are caught in an uncomfortable crossfire between two competing discourses those around ideal relationships and those around ideal parenting The author suggests that parents are pressured to be equal partners while also being asked to parent their children intensively in ways markedly more demanding of mothers Reconciling these ideals has the potential to create resentment and disappointment Drawing on research with couples in London as they became parents the book points to the social pressures at play in raising the next generation at material physiological and cultural levels Chapters explore these levels through concrete practices birth feeding and sleeping three of the most highly moralised areas of contemporary parenting culture Charlotte Faircloth is Associate Professor of Social Science in the UCL Social Research Institute UK Her work focuses on parenting gender and reproduction using qualitative and cross cultural methodologies from sociological and anthropological perspectives Her research has explored infant feeding couple relationships intergenerational relations and the impact of COVID 19 on family life

Family Transitions Philip A. Cowan,E. Mavis Hetherington,2013-03-07 This volume the result of the second annual Summer Institute sponsored by the Family Research Consortium focuses on family transitions both normative and non normative The subject of family transitions has been a central concern of the consortium largely because studies of families in motion help to highlight mechanisms leading to adaptation and dysfunction This text represents a collective effort to understand the techniques individuals and families employ to adapt to the pressing issues they encounter along their life course
