Various Authors,2008-07-01 This issue of The Ministry contains a complete record of the twelve messages given during the 2008 summer training on the Crystallization study of the Gospel of Luke held June 30 July 5 in Anaheim California The crucial truth and burden embodied in these twelve messages may be summarized in the following two sets of statements The highest standard of morality is the living of the Lord Jesus as the Man Savior whose life was a composition of God with the divine attributes and man with the human virtues to be the basic factor for His dynamic salvation The Man Savior s God man living constituted a prototype for the reproduction of the God man in the believers who are reborn of the pneumatic Christ in their spirit and transformed by the pneumatic Christ in their soul In order to be one with the Man Savior in His God man living we need to sit at His feet and listen to His word so that we may be infused with His life for the expression of God and with His desire for our service to God unto the building of God By praying ourselves into God we are empowered in Christ to repudiate ourselves renounce our material possessions and follow the Man Savior so that we may live in the reality of the economy of God to become rich toward God for the kingdom of God We need to be today s ministers and witnesses by living and proclaiming the gospel Christ as the jubilee of grace for the accomplishing of God s eternal economy If we lose our soul life in this age and do not preserve it by lingering in the earthly and material things we may participate in the rapture of the overcomers and stand before the Son of Man on Mount Zion These messages are being published immediately following the training in order that they may benefit the saints who are participating in the many video trainings that are held throughout the earth The Triune Man Henry C. Johnson,1942 The human being is triune mind heart and body resulting in a unified being a living soul No one aspect can operate separately from the others None are immortal Argues against views of A H Strong and Nathan R Wood Often cites favorably Henry Constable s Hades and his The duration and nature of future punishment **The Collected Works of Witness Lee, 1993, volume 1** Witness Lee,2021-05-28 The Collected Works of Witness Lee 1993 volume 1 contains messages given by Brother Witness Lee from January 2 through December 18 1993 In 1993 Brother Lee spoke seventy seven messages that were published in the Life study of Job Life study of the Psalms Life study of Joshua Life study of Judges Life study of Ruth and Life study of 1 and 2 Samuel These messages are not included in The Collected Works of Witness Lee During the first eight months of 1993 Brother Lee was in Anaheim California At the beginning of September he visited Seattle Washington for one week after which he returned to Anaheim and remained there until the end of the year The contents of this volume are divided into nine sections as follows 1 Two messages given in Anaheim California on January 2 and 3 These messages were previously published in a book entitled The Ministry of the New Testament and the Teaching and Fellowship of the Apostles and are included in this volume under the same title 2 A message given in Anaheim California on January 4 This message is included in this volume under the title The Need for Proper Leading Ones in the Lord s Recovery 3 Four messages given in Anaheim California on January 4 through December 18 These

The Ministry, Vol. 05, No. 03 Various Authors,2001-03-01 In this issue of The Ministry Brother Lee reviews the person and work of the Lord Jesus Concerning His person the Lord Jesus is the Father in eternity He is the Son among men and He is the Spirit in us Concerning His work His birth is for Him to be united with us His crucifixion is to deal with our old life His resurrection is for us to receive His life and nature His ascension is for us to receive a heavenly status and His coming again is for us to receive His glory Now every saved one has Christ as the life of God and the I Am within him this is the salvation which God has given to us The following six messages are from the Crystallization study of the Gospel of Matthew given during the winter training in December 2000 in Anaheim California The following four statements express the main points of the burden 1 God s intention in regenerating us is to bring us under His heavenly rule 2 the reality of the kingdom of the heavens is Christ as the life giving Spirit ruling within us 3 to live in the reality of the kingdom we need to live out the indwelling Christ as our subjective righteousness and 4 we need to deny the self take up the cross and lose the soul life for the building of the church in the reality of the kingdom In the next few issues of The Ministry we will include some important matters of fellowship which were given during the winter training of 2000 The fellowship concerning the burden for migration to London England is presented in this issue
