in the teaching vocation as a biology teacher and has been doing so for over sixteen years Prior to teaching he worked in the IT field which was a volatile environment back in 2000 requiring head hunters to find contractual B2B jobs which were three to six months at best as outsourcing was the norm Such instability introduced him to the teaching profession as he was a substitute teacher between his IT contract jobs His involvement in the church community as a musician bassist allows him to experience the church dynamic from a musician for hire perspective while continuing his passion for playing music that centers on worship Being behind the scenes and playing in ministries throughout the years has given him more insight as playing at churches conferences and gospel events allowed him to observe the networking conversations and sentiments that took place amongst ministries He feels that the lifestyles and views of some preachers contradict what Jesus taught in the Bible
