## **The Unity Of Isaiah A Study In Prophecy:**

**The Unity of Isaiah** Oswald T. Allis, 2000-12-13 Professor Allis maintains the fully predictive character of biblical prophecy and deprecates with special reference to selected prophecies from Isaiah and other Old Testament books prevalent tendencies to tone down that predictive character whether by explaining instances of fulfilled prophecy in terms of intelligent anticipation or regarding them as vaticinia ex eventu thus rejecting the date and setting which their context claims But as Dr Allis points out the account which the Old Testament itself gives of prophecy emphasizes the prominence of the predictive element as may be seen in a number of passages in Deuteronomy principally xviii 9 22 cf also xiii 1 ff *The Unity of Isaiah* Oswald Thompson Allis, 1951

**The Unity of Isaiah** Oswald Thompson Allis, 1955 Messianic Revelation in the Old Testament Gerard Van Groningen, 1997-07-16 Books by evangelical scholars on messianism in the Old Testament are either outdated too brief or lack balance observes the author Messianic Revelation in the Old Testament represents the most thorough conservative analysis of the century Van Groningen traces the messianic expectation as it is progressively revealed in the Hebrew Scriptures He first introduces the messianic concept defining its terms and uncovering its source He finds these messianic presentations rooted in and shaped by divine revelation The major part of this volume explores messianism s philological historical and theological aspects The result of this study writes the author reveals that the messianic concept refers to a royal priestly prophetic person and his work Passages that deal with these messianic motifs have been selected for close scrutiny and evaluation The author believes that a correct understanding of messianism in the Old Testament requires a balanced hermeneutical approach from exegeting the relevant texts and studying their historical context to interpreting prophecy and organizing its theological truths In the words of the author To omit one element is to do injustice to the Old Testament Van Groningen has included an extensive bibliography of both books and articles for those wishing to pursue additional study A Scripture index helps one to locate the author s exegetical insights on various passages An index of persons concludes the work *Quartalschrift* ,1950 *Catalogue of the General Theological Library, Boston, Massachusetts* General Theological Library, 1913

**An Introduction to the Old Testament Prophetic Books** C. Hassell Bullock, 2007-05-01 The Old Testament prophets spoke to Israel in times of historical and moral crisis They saw themselves as being a part of a story that God was weaving throughout history a story of repentance encouragement and a coming Messiah In this updated introductory book each major and minor prophet and his writing are clustered with the major historical events of their time Our generational distance from the age of the prophets might seem to be a measureless chasm Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the Old Testament prophets but also the God who comprehends spans and transcends all time In these pages C Hassell Bullock presents a clear picture of some of history s most profound spokesmen the Old Testament prophets and the God who shaped them The Prophets as Preachers Gary V.
