Thirteen Notches Hank Edwards, 1994 Frank Allison leaves Yuma Prison with his clothes his boots and his Remington Army revolver displaying 13 notches for the lives he s taken Eager to make amends he sets off to turn over the gold from his last robbery to the proper authorities But the Wild West is a tough place to set things right **Vault of the Griffin** W. B. Baker, 2004-08-16 Inspiring and Utterly Brilliant Storytelling London England Eagerly awaited sequel to *The Orphans of Carmarthen* *Vault of the Griffin* re introduces the reader to fifth century Britain A fantastic descent into the bowels of the cavernous empire of the White Griffin Bakers latest novel is a devastatingly candid and brilliant commentary on human nature The pastoral countryside of Wales is painted in broad and exceptional vistas the author skillfully employing language to exemplify the struggle between great concepts of ideology and theology most capably illustrated against a backdrop of poverty and classical mythology Once again this internationally acclaimed writer validates his reputation as a master of literary exposition Ruth Ryland the pair try to endure as best they can outside the influence of civilisation where only an ancient Banfith witch takes any interest in their survival W B Baker surpasses himself with the creation of an entirely believable functional religion of the Banfith Witches demonstrating not only a masterful command of the English language but revealing astounding insight into theoretical theology Within the realm of conceptual mythology this writer is conspicuously one of the most intuitive authors of the genre Idyllic conceptual thinking imparted in a beautiful tale of a boy and his little dog Emotions envelop the reader completely and swathe ones consciousness with the realization that on the odd occasion grandeur and brilliance of sentiment lie far beyond our ability to express *Vault of the Griffin* is one of those rare exceptional examples Lazaro Espinoza As soon as the lad had submerged under the surface he started crawling frantically through the fluff toward the fissure on the border arriving there just as the weight of the griffin landed in the centre and tried to stomp the very life out of him Emrys wriggled through the fissure at the edge as the massive neck hurled its mighty weapon into the down snapping blindly shut with the hope that the megalithic beast might yet catch the thief within its nest By the time the griffin finished threshing the feathered pallet apart and raised its head a second time for a better look about the lad had already scooted through the flaw in the nest and was halfway across the clearing Running for his life trying to dart about like a rat or vole amidst the cracked towers of crystal Emrys made a frantic dash for the tiny fissure he had spied within the sandstone wall Enraged the behemoth leapt upon the rim of the crystal parapet and vaulted twice its entire body length in a single leap snapping its savage beak closed upon feeble shards of crystal only inches from the boy Emrys dove headfirst into the cavity just as the powerful serrated beak managed to clear the rock formation and snap shut slicing through the crystal like a cleaver and just glancing off Emrys left leg The boy screamed in agony as the zigzag edge of the bill caught the slackness of his skin though he could not even hear his own shriek for the one emitted from the griffin as it realised that it had narrowly missed its prey *Vault of the Griffin* is based upon the actual legends and ancient superstitions of

Baker,2005-12-23 In this time of Harry Potter mania and its associated popular magic of surface spells and incantations it is refreshing to encounter an author with so vivid a command of the language Indeed the language is infused with vibrant images and metaphors that portray the people and the land in fine lyrical writing In a style that draws from the full rich well of old language the author conveys the reader into a world that appears to be at first glance more impressionistic than real Wales in all of its glory rises in the readers imagination while capturing the heart and soul of the country And yet the themes and struggles are contemporary with this 21st Millennium harking to the consciousness of all humankind The reader stops to ponder and then begins to remember that these enduring images come from the human soul not constrained by any epoch or era These works come from an author who is providing an outstanding recognition of the United Kingdom and its life history and people Literature is the vehicle far beyond the transitory cinema of contemporary life which provides depth for his audience Dr Baker challenges the reader to understand these tales for their immediate pleasures as well as for their deeper meanings In this he accomplishes the best that his art can and should do to mirror the human condition Daniel Paul Larson D M A Vice President for Instruction MVCC State University of New York BRILLIANT A Bloody Good Read Douglas Neal MRCVS W B Bakers novels may well be among the finest examples of representative literature of the region From a nation renown for dramatic warrior poets comes this authors third novel of Carmarthen a stunning combination of narrative melded with the extraordinarily vivid imagery we have come to expect from this award winning writer *Ordeal Of The Dragon* resumes the tale of Myrddin Emrys Merlin as a child in Wales integrating exceptionally strong characters with a remarkable knowledge of superstition myth and religion to create a fantastic realm of murder vengeance and personal redemption A beautifully crafted and equally majestic effort Teresa McAlister Knight Ridder Eloquent Powerful and Articulate New York The haunting tale of a young boy and his love for a dog within which are couched the secrets of the universe Once again W B Baker reveals the wonders of Carmarthen and the whole of Britain to the World Priory Road Carmarthen Carmarthenshire Wales *Ordeal Of The Dragon* like *The Orphans Of Carmarthen* and *Vault Of The Griffin* before it transcends the delicate boundaries of religious and historical perceptions compelling readers to consider and take stock of their personal interpretations of reality A stunning philosophical success and ideological examination where inspirational axioms are subtly imbedded within the vibrant images and metaphors of classic gothic themes The superbly devised religion of the Banfith Priestesses is a triumph unto itself revealing the authors meticulous attention to detail as much as Bakers facility for conceptual ideology Correlations between astronomical observances religious ceremonies and classical Welsh mythology demonstrated in the extensive research necessary to conceive the Banfith religion does each of us Brits quite proud Bloomsbury London England Folklore Joseph Jacobs,Alfred Trübner Nutt,Arthur Robinson
