When We Were Kids:

When We Were Kids Craig Alan Hendrix,2010-06-01 Written in the mindset of a kid growing up in the 60s and 70s When We Were Kids takes the reader along on a bike ride to a simpler and more innocent time Share the excitements the disappointments the youthful wonder and the never ending enthusiasm of a young mind that was always focused on the next plan of action From tree houses to B B guns box turtles to rocketships discovery and a passion for adventure were always the order for the day Not all was happiness Though there may not have been a Frankenstein in the basement or weird green hair from outer space there was a very real monster to overcome and all too close to home No monster can keep a good kid down though Take a simple idea add a touch of imagination then toss in Marty the kid from across the street and you ve got the perfect recipe for adventure It s Damn the torpedoes and full speed ahead [When We Were Free to Be](#) Lori Rotskoff,Laura L.
