

A scenic landscape of rolling mountains under a vibrant sunset sky. The sky transitions from deep purple at the top to bright orange and yellow near the horizon, where the sun is setting. The mountains are silhouetted against the colorful sky, with some peaks catching the light of the setting sun.

## **When We Were Young:**

*When We Were Young* Richard Roper, 2021-07-20 From the author of *Something to Live For* a nostalgic heart warming story of two long lost friends who embark on a 184 mile walk of the Thames Path in order to find their way back to the truth and to their friendship How do you move forward when all you want to do is go back Joel and Theo haven't spoken since the summer they turned sixteen but that's about to change From the outside Joel looks like the picture of success a TV scriptwriter with a smash hit who's still together and in love with his teenage sweetheart Amber But he's falling apart at the seams He's headed home to reconnect with best friend Theo to get back to the start of it all Theo has been living in his parents' shed nursing a broken heart and a wounded ego convinced life can't get any worse Then he gets evicted on his 30th birthday He thinks he's done with the real world until it shows up on his doorstep One of them is keeping a secret and the other is living a lie But can the promise they once made to walk all 184 miles of the Thames Path help them find their way back to the truth and to their friendship

*When We Were Young* Jerry Flesher, 2005 During the summer of 1944 after two and a half years of war American citizens on the home front were still caught up in a surge of patriotic fervor making any sacrifice necessary to help the soldiers sailors marines and airmen that were engaged in combat These people were the generation that endured the Great Depression only to be plunged into World War II We meet four boys who are too young to be in uniform and want to do something to help the war effort The focus is also on a young man who goes off to war and the girl he leaves behind who worries that he will perish in combat or will be maimed or crippled or will return a different man from the one she loved when he went off to war We begin to understand what it was like to experience rationing wartime anxieties and the optimism and spirit of shared purpose that were central to life on America's home front during the first half of the 1940s We meet the people who were young back then and learn that they too along with the fighting men helped to save the world for democracy

*When We Were Young in Africa* Carol Claxon Polsgrove, 2015-09-30 Imagine you are watching a movie and suddenly the

action stops and the credits begin to roll Leaving Africa was like that I had been going along in my African story full of its sights and sounds and smells children balancing kerosene tins on their heads drums rumbling at night air scented by smoke from charcoal and wood fires And then Cut It was over After twelve years of growing up mostly in West Africa I was back in the United States where people thought growing up in Africa was strange and growing up the daughter of missionaries was even stranger I learned to avoid mentioning that part of my life at all because if I did I would feel the stereotypes close round me I did my best to pass as American without ever quite succeeding When my mother asked me in her last days Do you appreciate your African childhood I replied with cruel honesty Yes but now I don t belong in America Just weeks after her death at the age of 96 I sat myself down in a state of survivor s freedom to explore the childhood I had tried to put behind me I poured out memories across a yellow notepad and began reading the letters Mother had passed on to me intimate letters she and Daddy had written back to family from Africa letters I myself had written from my boarding school in Nigeria my last three years there As a historian I already understood the richness of life told in letters the way secrets spring from their pages Thus innocently if any historian can be said to be innocent I began and found myself tangled up in a story I had not just forgotten but had never known
