Where Life Begins:

BEGINNINGS: Where A Life Begins Gary Heilbronn, 2013-12-06 It is early 1939 and the end of the Spanish Civil War as Maria heavily pregnant and with a tiny son to care for frantically flees Franco's fascist forces across the border dividing the colourful Basque countries of Spain and France Tragedy and an ancient cycle of murder and revenge stalk her every step and the birth of her second child is traumatic A moment of hope for freedom and a future in France is all but dashed by the Nazi occupation and the tumultuous and divisive aftermath of WW2 Inevitably Maria and her young family are drawn into the inescapable truths of their genetic background and as her young daughter matures into the kind of woman that Maria could never be they both begin to understand how the events of the distant past still determine their destinies Get the paperback edition on Createspace at <http://bit.ly/1IMFS9V> or on Amazon at <http://amzn.to/15JvvFm> *United States Naval Academy where Opportunities of a Lifetime Begin--*, 1986

The Writings of John Burroughs John Burroughs,1916 *The Lancet-clinic* ,1911 Defending the Arctic Refuge Finis Dunaway,2021-04-12 Tucked away in the northeastern corner of Alaska is one of the most contested landscapes in all of North America the Arctic National Wildlife Refuge Considered sacred by Indigenous peoples in Alaska and Canada and treasured by environmentalists the refuge provides life sustaining habitat for caribou polar bears migratory birds and other species For decades though the fossil fuel industry and powerful politicians have sought to turn this unique ecosystem into an oil field Defending the Arctic Refuge tells the improbable story of how the people fought back At the center of the story is the unlikely figure of Lenny Kohm 1939 2014 a former jazz drummer and aspiring photographer who passionately committed himself to Arctic Refuge activism With the aid of a trusty slide show Kohm and representatives of the Gwich in Nation traveled across the United States to mobilize grassroots opposition to oil drilling From Indigenous villages north of the Arctic Circle to Capitol Hill and many places in between this book shows how Kohm and Gwich in leaders and environmental activists helped build a political movement that transformed the debate into a struggle for environmental justice In its final weeks the Trump administration fulfilled a long sought dream of drilling proponents leasing much of the Arctic Refuge coastal plain for fossil fuel development Yet the fight to protect this place is certainly not over Defending the Arctic Refuge traces the history of a movement that is alive today and that will continue to galvanize diverse groups to safeguard this threatened land
