Where There Is Evil:

Proclus: On the Existence of Evils Carlos Steel, Jan Opsomer, 2014-04-10 Proclus On the Existence of Evils is not a commentary but helps to compensate for the dearth of Neoplatonist ethical commentaries The central question addressed in the work is how can there be evil in a providential world Neoplatonists agree that it cannot be caused by higher and worthier beings Plotinus had said that evil is matter which unlike Aristotle he collapsed into mere privation or lack thus reducing its reality He also protected higher causes from responsibility by saying that evil may result from a combination of goods Proclus objects evil is real and not a privation Rather it is a parasite feeding off good Parasites have no proper cause and higher beings are thus vindicated as being the causes only of the good off which evil feeds Faith, Hope, and Love (Journal Edition) Saint Augustine, 2018-02-06 Thus it is that love is not without hope hope is not without love and neither hope nor love are without faith St Augustine St Augustine s Faith Hope and Love is a short insightful treatise on the proper way to worship God In thirty three small chapters that follow 1 Corinthians 13 Augustine s description of true worship covers all the major ideas of the Christian religion Written sometime after AD 420 less than a decade before he died it contains some of his most mature reflections on Christian doctrines Those looking to understand the proper way to worship and those interested in a brief encapsulation of Augustine s teaching should look no further than this classic work Presented in a special journal edition Faith Hope and Love encourages readers to record their impressions and prayers **The Works of Saint Augustine: v. 1. The Confessions** Saint Augustine (of Hippo), 1990 Where There Is Evil Sandra Brown, 2025-08-07 Completely gripping Sandra Brown found evil in the person of her own father and she confronted it as few could have done Everyone will want to read this amazing story Andrew O Hagan author of Caledonian Road Sandra Brown was eight when her friend and neighbour twelve year old Moira Anderson disappeared from the small town of Coatbridge near Glasgow in 1957 Moira has not been seen since Twenty seven years later at a family funeral Sandra s estranged father confessed to her that he had been involved in the girl s disappearance Appalled by his curious half confession Sandra began to delve into the case and in so doing discovered that her father was a child molester whose activities were known not just to everyone in Coatbridge but also to the police The horrifying jigsaw she pieced together along with the admission her father had made ultimately convinced Sandra that he had been responsible for Moira s death nearly fifty years ago Where There Is Evil is the remarkable story of Sandra s quest to unravel the mystery and see justice done Inspirational This book is not only important but unique Jimmy Boyle author of A Sense of Freedom The Works of Aurelius Augustine: Writings in connection with the Manichaeian heresy, translated by Richard Stothert. 1872 Saint Augustine (of Hippo), 1872 **The Connected Discourses of the Buddha**, 2005-06-10 This volume offers a complete translation of the Samyutta Nikaya The Connected Discourses of the Buddha the third of the four great collections in the Sutta Pitaka of the Pali Canon The Samyutta Nikaya consists of fifty six chapters each governed by a unifying theme that binds together the Buddha s suttas or discourses The chapters are

organized into five major parts The first The Book with Verses is a compilation of suttas composed largely in verse This book ranks as one of the most inspiring compilations in the Buddhist canon showing the Buddha in his full grandeur as the peerless teacher of gods and humans The other four books deal in depth with the philosophical principles and meditative structures of early Buddhism They combine into orderly chapters all the important short discourses of the Buddha on such major topics as dependent origination the five aggregates the six sense bases the seven factors of enlightenment the Noble Eightfold Path and the Four Noble Truths Among the four large Nikayas belonging to the Pali Canon the Samyutta Nikaya serves as the repository for the many shorter suttas of the Buddha where he discloses his radical insights into the nature of reality and his unique path to spiritual emancipation This collection it seems was directed mainly at those disciples who were capable of grasping the deepest dimensions of wisdom and of clarifying them for others and also provided guidance to meditators intent on consummating their efforts with the direct realization of the ultimate truth The present work begins with an insightful general introduction to the Samyutta Nikaya as a whole Each of the five parts is also provided with its own introduction intended to guide the reader through this vast ocean like collection of suttas To further assist the reader the translator has provided an extensive body of notes clarifying various problems concerning both the language and the mean
