Wheres Ted:

The Night Before I Knew Him Yourstruly,2026-01-28 Don't regret this he murmurs on my mouth You have no idea who I am That's the point I whisper shutting my eyes as I wait for a kiss but he didn't kiss me Instead he pushes me backward until I hit the wall The impact is soft but my breath catches anyway His hands go to my waist firm and possessive tugging me close until our hips are flush In a game of truth or dare June Alexander accepts the challenge and spends a wild one night stand with a handsome stranger Two days later she walked into her dream internship only to find him sitting behind the CEO's desk Now she's his temporary secretary trapped in forced proximity in the sleek high stakes office He acts cold pretending their night never happened But the tension is electric Every glance burns every touch lingers He pushes her away by day yet pulls her close in the dark While navigating his impossible demands and a world of corporate secrets she finds their forbidden attraction growing dangerously real and it could cost her everything What happens when your hottest one night stand becomes your coldest boss Book 4 *Nelson Thornes Primary ICT*.
