Which Way Is The Sky Falling:

Which Way is the Sky Falling? Thomas Gail Kyle, 1993 A compelling critique of the mish mash of environmental crises on the minds of citizens and policy makers today Without hype Kyle manages to navigate the reader toward questions of fact and away from declarations of opinion Annotation copyright Book News Inc Portland Or If the Sky Falls Nicholas Montemarano, 2005-10-01 If the Sky Falls is the debut short story collection from award winning fiction writer Nicholas Montemarano These eleven stories show why Jayne Anne Phillips has called Montemarano an American stylist capable of redeeming our darkest dreams Redemption in these intense and sometimes violent stories is found in the lyrical prose in the act of storytelling itself A young man tries to rescue his sister from her abusive lover and in the process must revisit his own family s violent history Note to Future Self a home healthcare worker pops pills and takes two men with cerebral palsy to a strip club The Usual Human Disabilities a man has a breakdown years after witnessing a brutal murder and doing nothing to help the victim The Other Man In The November Fifteen a man is taken from his home and tortured though he has no idea why when he returns home he finds a different kind of torture awaiting him Two of the stories Shift and the Pushcart Prize winning The Worst Degree of Unforgivable are stylistic tours de force But style in this collection is always at the service of story Montemarano s fiction maintains that rare balance between traditional storytelling and experimentation his work is innovative without being flashy sincere without being sentimental In an age of hype If the Sky Falls truly is the real thing an original and important achievement in the short story form Things that Fall from the Sky Kevin Brockmeier, 2007-12-18 Weaving together loss and anxiety with fantastic elements and literary sleight of hand Kevin Brockmeier s richly imagined Things That Fall from the Sky views the nagging realities of the world through a hopeful lens In the deftly told These Hands a man named Lewis recounts his time babysitting a young girl and his inconsolable sense of loss after she is wrenched away In Apples a boy comes to terms with the complex world of adults his first pangs of love and the bizarre death of his Bible coach The Jesus Stories examines a people trying to accelerate the Second Coming by telling the story of Christ in every possible way And in the O Henry Award winning The Ceiling a man s marriage begins to disintegrate after the sky starts slowly descending Achingly beautiful and deceptively simple Things That Fall from the Sky defies gravity as one of the most original story collections seen in recent years Falling Sky Harry Sidebottom, 2022-10-13 The thrilling new historical adventure in the Warrior of Rome series from Sunday Times bestseller Harry Sidebottom What Bernard Cornwell is to the Napoleonic Wars Harry Sidebottom is to Roman legions unassailable THE TIMES _____ AD 265 Gaul The Roman Empire is on the brink Emperor Gallienus has amassed a huge army across the Alps to seize back the mountains from the usurper Postumus War has come Ballista and his cavalry are on the frontline battling in the most brutal of conditions But if he is to survive the campaign and finally retire to his beloved Sicily it s not just the battlefield he needs to navigate As he and Praetorian Prefect Volusianus lay siege to Postumus armies it becomes clear the greatest threat to Ballista s life might

just come from within his ranks After all Volusianus has shown he will go to any distance for his own ends Is Ballista just another pawn in his game _____ Praise for Harry Sidebottom s historical novels An extraordinarily vivid take on the ancient world EVENING STANDARD Explosive action and knuckle whitening drama GUARDIAN The best sort of red blooded historical fiction ANDREW TAYLOR More twists and turns than the Tiber itself RORY CLEMENTS Sidebottom s prose blazes with searing scholarship THE TIMES Relentless brutal brilliant BEN KANE A storming triumph DAILY TELEGRAPH Epic MARY BEARD *Being Scioto Hopewell: Ritual Drama and Personhood in Cross-Cultural Perspective* Christopher Carr,2022-01-05 This book in two volumes breathes fresh air empirically methodologically and theoretically into understanding the rich ceremonial lives the philosophical religious knowledge and the impressive material feats and labor organization that distinguish Hopewell Indians of central Ohio and neighboring regions during the first centuries CE The first volume defines cross culturally for the first time the ritual drama as a genre of social performance It reconstructs and compares parts of 14 such dramas that Hopewellian and other Woodland period peoples performed in their ceremonial centers to help the soul like essences of their deceased make the journey to an afterlife The second volume builds and critiques ten formal cross cultural models of personhood and the self and infers the nature of Scioto Hopewell people s ontology Two facets of their ontology are found to have been instrumental in their creating the intercommunity alliances and cooperation and gathering the labor required to construct their huge multicomunity ceremonial centers a relational collective concept of the self defined by the ethical quality of the relationships one has with other beings and a concept of multiple soul like essences that compose a human being and can be harnessed strategically to create familial like ethical bonds of cooperation among individuals and communities The archaeological reconstructions of Hopewellian ritual dramas and concepts of personhood and the self and of Hopewell people s strategic uses of these are informed by three large surveys of historic Woodland and Plains Indians narratives ideas and rites about journeys to afterlives the creatures who inhabit the cosmos and the nature and functions of soul like essences coupled with rich contextual archaeological and bioarchaeological taphonomic analyses The bioarchaeological taphonomic method of l anthropologie de terrain new to North American archaeology is introduced and applied In all the research in this book vitalizes a vision of an anthropology committed to native logic and motivation and skeptical of the imposition of Western world views and categories onto native peoples
