180 Days: High-Frequency Words for Kindergarten Jesse Hathaway,2016-08-01
180 Days of High Frequency Words is a fun and effective daily practice workbook designed to help students recognize sight words instantly This easy to use kindergarten workbook is great for at home learning or in the classroom The engaging standards based activities cover grade level skills with easy to follow instructions and an answer key to quickly assess student understanding Each week students learn 3 new words The repetitive daily activities make reading and writing these words memorable and fun Watch students build a love of reading as they recognize sight words and start reading independently Parents appreciate the teacher approved activity books that keep their child engaged and learning Great for homeschooling to reinforce learning at school or prevent learning loss over summer Teachers rely on the daily practice workbooks to save them valuable time The ready to implement activities are perfect for daily morning review or homework The activities can also be used for intervention skill building to address learning gaps The high frequency words used are based on Fry s 1 000 Instant Words

Teaching Spelling to English Language Learners Johanna Stirling,2011-02-15 A book for anyone teaching English spelling particularly those working with English language learners This essential manual answers three challenging questions about teaching spelling Why is there a problem with teaching and learning spelling What can be done about it How can this be accomplished The first part of the book helps teachers understand the systems of English spelling and the regularities which are not necessarily phonological It explores the errors that learners really make and the challenges faced by teachers The second part outlines a fresh new multi dimensional approach to teaching spelling which recognises the need for learner engagement and strategy training as well as work on the patterns found in English orthography The final part of the book presents over seventy engaging and effective activities which are designed to develop a range of strategies and knowledge about English spelling
