Wordly Power:

Reckoning with Power David E. Fitch, 2024-01-30 Christianity Today 2025 Book Award Finalist Church Pastoral Leadership Masterfully defines and unpacks the concept of power Christianity Today History is clear Whenever the church has aligned itself with worldly coercive power it ends up on the wrong side of important justice issues But when the church cooperates with God s power through his presence among the least powerful its witness for Jesus transforms the world into a better place In *Reckoning with Power* David Fitch unpacks the difference between worldly power or power over others and God s power which engages not in coercion but in love reconciliation grace forgiveness and healing In a world where we can see the abuses of power everywhere in our homes schools governments and churches Fitch teaches readers how to discern power and avoid its abuses and traumas By learning from the church s historical pitfalls Fitch empowers Christians to relinquish worldly power and make space for God to disrupt and transform our culture for his kingdom [The Atonement](#) Jeremy Treat, 2023-07-24 A Concise Introduction to the Doctrine of the Atonement The atonement is central to Christian theology and essential for following Jesus In this addition to the Short Studies in Systematic Theology series pastor Jeremy Treat explains what Scripture teaches about the atonement and how it impacts one s daily life Treat demonstrates that the death of Christ is a multi dimensional work within the story of the kingdom of God While the accomplishments of the cross are unending including forgiveness victory and renewal the heart of the cross is substitution Jesus dying on behalf of sinners Christ s atoning work reconciles believers to God and to one another calling them to a life of obedience This book presents a kingdom framed substitution centered trinitarian integrated communal and life changing approach to the doctrine of atonement Accessible Designed to be short and approachable this text is an ideal resource for college students pastors and laypeople Practical The depths of the gospel are applied to discipleship community and ethics Part of the Short Studies in Systematic Theology Series Other titles include *Faithful Theology The Attributes of God and The Church* *Cross and Khôra* Marko Zlomislić, Neal DeRoo, 2010-01-01 This volume poses the question of the relationship between the two main influences on the thought of John D Caputo one of the most well known philosophers of religion working in North America today Jacques Derrida and Jesus Christ Given the seemingly abstract character of Derrida s account of the messianic how can one reconcile deconstruction and the concrete messianism of Christianity as Caputo tries to do over and over again How can one hold together the love of a God willing to be crucified and the dry desert khora which doesn t care This collection of essays from world renowned scholars seeks to illuminate the difficulties inherent in this seemingly contradictory pair of influences With his trademark wit and humor Caputo responds to his interlocutors while clarifying his position on numerous matters of interest to the church and in the academy In addition to dealing with the concern for issues of hermeneutics phenomenology and negative theology for which Caputo has become famous these essays also evaluate Caputo s legacy in fields previously not thought to be affected by his deconstructive version of religion feminism sacramental theology Analytic philosophy of
