Work: Prison or Place of Destiny (Revised) David Oliver, 2014-01-01 Do we regard our place of work as a prison Is our place of work where we fulfil God's purpose for our life Should church leaders consider returning to work Is full time ministry a heresy This book is for every working man woman and church leader to challenge what we believe what we preach the language that we use and the way we behave and to help us bring about a change in doing church where the church supports the workers as well as the workers the church

[The Church in the Workplace](#) C. Peter Wagner, 2006-05-20 If Christians are in the workplace then so is the church In [The Church In The Workplace](#) C Peter Wagner explores how the role of the church in the work life of believers is just as much a ministry a service to God and even worship as what believers do on Sunday in their local churches A further indispensable step toward activating faith at work is to understand clearly how the extended church operates through the nuclear church and how bridges can be built to join the two Wagner does just this as he looks at the biblical perspective on work the Holy Spirit's call to the church to bring about social transformation and worldwide examples of the role the church has already played in the workplace

The Good Work of Non-Christians, Empowerment, and the New Creation Stuart C. Weir, 2016-04-25 Have you ever considered the ultimate purposes and consequences of good work performed by non Christians Have you ever theologically considered the work of non Christians at all Is it possible that God would ever give credence to let alone honor the work of non Christians in an ultimate sense Are you frustrated by theologies of work that are entirely protological in orientation How do we make sense of biblical excerpts that talk of work being judged towards a particular outcome [The Good Work of Non Christians Empowerment and the New Creation](#) attempts to answer these questions in a manner that also challenges evangelical assumptions about the ultimate outcomes of working life Drawing strength from eschatologically minded theologies by Miroslav Volf and Darrell Cosden Weir seeks to replace protology with eschatology in a theology of work about non Christians The British evangelical tradition is specifically taken up here so as to make critical assessments of certain airtight theologies regarding human action with reference to the new creation This book attempts to create a heuristic against unhelpful hermeneutical tendencies that inform evangelical theologies This is a work that is not only theological it is biblically historically and ethically rigorous
