Mason, Wendy Zeitlin, 2024-03-28 This concise, accessible, and engaging handbook offers a companion for social work students to acquire professional and competency-based writing skills. Written by experienced educators, the book builds writing proficiency by introducing a social work-based guide to academic writing and professional communication. Each chapter addresses a specific area of social work writing and development, progressing from coursework and beginning fieldwork to practice-based assessments and reports. The authors integrate a series of scaffolded activities throughout for readers to cultivate awareness and further technique, and with sections explaining contemporary communication methods and common writing challenges, readers will be prepared to use technology both to strengthen their writing and to ease the overall process. Excellent for use in courses across the social work curriculum and as a personal guide, the *Handbook for Social Work Writing* provides students with on-the-spot guidance for any type of academic or professional writing assignment. *The Columbia Guide to Social Work Writing* Warren Green, Barbara Levy Simon, 2012-07-17 Social work practitioners write for a variety of publications, and they are expected to show fluency in a number of related fields. This first of its kind guide features top scholars and educators providing a much-needed introduction to social work writing and scholarship. Foregrounding the process of social work writing, the coeditors, particularly, emphasize how to think about and approach one's subject in a productive manner.
