J Spring

Teitlebaums Window:

Seasoned Authors for a New Season Louis Filler, 1980 This collection of essays probes the values in a variety of authors who have had in common the fact of popularity and erstwhile reputation Why were they esteemed Who esteemed them And what has become of their reputations to readers to the critic himself No writer here has been asked to justify the work of his subject and reports and conclusions about this wide variety of creative writers vary sometimes emphasizing what the critic believes to be enduring qualities in the subject in several cases finding limitations in what that writer has to offer us today *American Jewish Fiction* Josh Lambert, 2010-01-01 This new volume in the JPS Guides series is a fiction reader's dream a guide to 125 remarkable works of fiction The selection includes a wide range of classic American Jewish novels and story collections from 1867 to the present selected by the author in consultation with a panel of literary scholars and book industry professionals Roth Mailer Kellerman Chabon Ozick Heller and dozens of other celebrated writers are here with their most notable works Each entry includes a book summary with historical context and background on the author Suggestions for further reading point to other books that match readers interests and favorite writers And the introduction is a fascinating exploration of the history of and important themes in American Jewish Fiction illustrating how Jewish writing in the U S has been in constant dialogue with popular entertainment and intellectual life Included in this guide are lists of book award winners recommended anthologies title author and subject indexes and more [American Drama](#) Clive Bloom, 1995-08-15 Influenced by Ibsen and Strindberg American drama had its origins in small theatre companies and groups of semi professional players in the early 1900s whose commitment was to inspire such writers as Eugene O'Neill Susan Glaspell Imamu Amiri Baraka Arthur Miller and Tennessee Williams Born into this century American drama has acted both as a reflection and as a commentary on the dominance power and sometimes corruption of the American democratic dream Today American theatre still challenges its audiences with a powerful voice unknown to television and commercial film bringing to the fore issues of gender colour and political oppression This collection of specially written essays offers a comprehensive introduction to the subject for students wishing to familiarise themselves with this exciting field and those already involved with the current debate in the area will welcome the broad approach adopted by this volume *American Jewish Fiction* Gerald Shapiro, 1998-01-01 A varied anthology of Jewish American short fiction includes works by turn of the century immigrant authors famous authors such as Singer Bellow and Roth and the more recent contemporary writers all demonstrating the rich emotional breadth of the genre Simultaneous UP **The Pinch** Steve Stern, 2015-06-02 A dazzling spellbinding novel set in a mythical Jewish community by the acclaimed author of the New York Times Notable Book *The Book of Mischief* It's the late 1960s *The Pinch* once a thriving Jewish community centered on North Main Street in Memphis has been reduced to a single tenant Lenny Sklarew awaits the draft by peddling drugs and shelving books until he learns he is a character in a book about the rise and fall of this very Pinch Muni Pinsker who authored the book in an enchanted day

containing years arrived in the neighborhood at its height and was smitten by an alluring tightrope walker Muni's own story is dovetailed by that of his uncle Pinchas Pin whose epic journey to North Main Street forms the book's spine Steve Stern interweaves these tales with an ingenious structure that merges past with present and his wildly inventive fabulism surpasses everything he's done before Together these intersecting stories transform the real world experience of Lenny whose fate determines the future of the Pinch in this brilliant unforgettable novel

The Book of Mischief Steve Stern, 2012-09-04 In the 25 years since Stern published his first book younger Jewish writers have run with a similar shtick But Stern was there first The Toronto Globe and Mail The Book of Mischief triumphantly showcases twenty five years of outstanding work by one of our true masters of the short story Steve Stern's stories take us from the unlikely old Jewish quarter of the Pinch in Memphis to a turn of the century immigrant community in New York from the market towns of Eastern Europe to a down at the heels Catskills resort Along the way we meet a motley assortment of characters Mendy Dreyfus whose bungee jump goes uncannily awry Elijah the prophet turned voyeur and the misfit Zelik Rifkin who discovers the tree of dreams Perhaps it's no surprise that Kafka's cockroach also makes an appearance in these pages animated as they are by instances of bewildering transformation The earthbound take flight the meek turn incendiary the powerless find unwonted fame Weaving his particular brand of mischief from the wondrous and the macabre Stern transforms us all through the power of his brilliant imagination

Knish Laura Silver, 2014-05-06 When Laura Silver's favorite knish shop went out of business the native New Yorker sank into mourning but then she sprang into action She embarked on a round the world quest for the origins and modern day manifestations of the knish The iconic potato pie leads the author from Mrs Stahl's bakery in Brighton Beach Brooklyn to an Italian pasta maker in New Jersey and on to a hunt across three continents for the pastry that shaped her identity Starting in New York she tracks down heirs to several knish dynasties and discovers that her own family has roots in a Polish town named Knyszyn With good humor and a hunger for history Silver mines knish lore for stories of entrepreneurship survival and major deliciousness Along the way she meets Minnesota seniors who make knishes for weekly fundraisers foodies determined to revive the legacy of Mrs Stahl and even the legendary knish maker's granddaughters who share their joie de vivre and their family recipe Knish connections to Eleanor Roosevelt and rap music Die hard investigator Silver unearths those and other intriguing anecdotes involving the starchy snack once so common along Manhattan's long lost Knish Alley In a series of funny moving and touching episodes Silver takes us on a knish eye tour of worlds past and present thus laying the foundation for a global knish renaissance

Contemporary Jewish-American Novelists Joel Shatzky, Michael Taub, 1997-07-16 Since World War II Jewish American novelists have significantly contributed to the world of literature This reference book includes alphabetically arranged entries for more than 75 Jewish American novelists whose major works were largely written after World War II Included are entries for both well known and relatively obscure novelists many of whom are just becoming established as significant literary figures While the volume

profiles major canonical figures such as Saul Bellow Norman Mailer and Bernard Malamud it also aims to be more inclusive than other works on contemporary Jewish American writers Thus there are entries for gay and lesbian novelists such as Lev Raphael and Judith Katz whose works challenge the more orthodox definition of Jewish religious and cultural traditions Art Speigelman whose controversial IMAus R established a new genre by combining elements of the comic book and the conventional novel and newcomers such as Steve Stern and Max Apple who have become more prominent within the last decade Each entry includes a brief biography a discussion of major works and themes an overview of the novelist s critical reception and a bibliography of primary and secondary sources A thoughtful introduction summarizes Jewish American fiction after World War II and a selected general bibliography lists additional sources of information Since World War II Jewish American novelists have made numerous significant contributions to contemporary literature Authors of earlier generations would frequently write about the troubles and successes of Jewish immigrants to America and their works would reflect the world of European Jewish culture But like other immigrant groups Jewish Americans have become increasingly assimilated into mainstream American culture Many feel the loss of their heritage and long for something to replace the lost values of the old world This reference book includes alphabetically arranged entries for more than 75 Jewish American novelists whose major works were largely written after World War II Included are entries for both well known and relatively obscure novelists many of whom are just becoming established as significant literary figures While the volume profiles major canonical figures such as Saul Bellow Norman Mailer and Bernard Malamud it also aims to be more inclusive than other works on contemporary Jewish American writers Thus there are entries for gay and lesbian novelists such as Lev Raphael and Judith Katz whose works challenge the more orthodox definitions of Jewish religious and cultural traditions Art Speigelman whose controversial IMAus R established a new genre by combining elements of the comic book and the conventional novel and newcomers such as Steve Stern and Max Apple who have become more prominent within the last decade Each entry includes a brief biography a discussion of major works and themes an overview of the novelist s critical reception and a bibliography of primary and secondary sources A thoughtful introduction summarizes Jewish American fiction after World War II and a selected general bibliography lists additional sources for information
