CHAPTER I. THE DISCOVERY OF AMERICA

SECTION I. THE EARLY DISCOVERERS

The history of the United States of America is a story of discovery and exploration. It begins with the first European to set foot on the continent, Christopher Columbus, in 1492. The United States of America was founded in 1776, and it has since become a major world power. The history of the United States is a story of a nation that has grown from a small colony to a global superpower. It is a story of a nation that has been shaped by its diverse people and its rich history. The United States of America is a nation of opportunity and freedom, and it is a nation that has inspired the world.
