The Plain Truth About Easter:

The Plain Truth about Easter Herbert W. Armstrong, Herman L. Hoeh, 1957 **The Plain Truth**, 1983 **Plain Truth**, 1993 **Flying Free: A Journey from Fundamentalism to Freedom** John Morgan, 2009-03-10 Flying Free thoroughly covers the background of the Worldwide Church Of God WCG cult its history leadership doctrines beliefs and its membership This book contains never previously published research explaining Herbert Armstrong s Holiness Quaker upbringing It also includes extensive research on the WCG s comparison to a cult and the characteristics that actually define a cult Flying Free documents the impact of the Armstrong teachings on individual lives but then goes on to show a priceless freedom found in life beyond fundamentalism Flying Free is a valuable practical resource for ex WCG members and for relatives or friends attempting to come to terms with the reality of loved ones joining a cult It should serve as a warning to those contemplating entering a fundamentalist church The book also includes a balanced assessment of the origins of the Bible the authority of the Bible and an appraisal of organised Christianity s influence on the individual Christian

Christianity Jerry Smith, M.A., LCSW, LMSW, 2018-09-30 CONTINUING TO READ THIS BOOK WILL BE HAZARDOUS TO YOUR CHRISTIAN BELIEFS One must never stop reading Read everything that you can read that is of standard knowledge Don t waste time reading trashy literature _e idea is that personal experience is not enough for a human to get all the useful knowledge of life because the individual life is too short so we must feed on the experience of others Baba Marcus M Garvey **Ernie the Easter Hippopotamus** Glenn Logan Reitze, 2020-08-08 Ernie the Easter Hippopotamus is a wildly comical tale of a young hippopotamus with a very special talent to make brightly colored naturally hard boiled eggs This soon gets him into big trouble with the other hippopotamuses and he is forced to leave his African river home on a journey that eventually brings him to America where he happily becomes the Easter Hippopotamus and continues making eggs for little girls and boys The book is longer than most children s picture books with some 57 profusely illustrated pages including a newly added five page note about real hippopotamuses It is intended both for young readers 6 to 8 and as a read to book for younger children from age 2 5 **The ring and the book. The Term Catalogues, 1668-1709 A.D.: 1697-1709, and Easter term, 1711 Edward Arber, 1906 **At Easter Road They Play, Volume 1** John Campbell, 2013-04-04 First in a new trilogy about Scotland s storied Hibernian Football Club from the on the pitch exploits of the Famous Five to the rise of Joe Baker Since 1875 Hibernian Football Club has been an integral part of sporting life in the City of Edinburgh and Port of Leith its early history up to 1946 has been brilliantly documented in The Making of Hibernian trilogy by Alan Lugton John Campbell s At Easter Road They Play is the first part of a new trilogy that brings the history up to date picking up the story from 1946 and covering what was the most successful part of the club

s history when Hibernian won three Championship titles and became the first British club to play in the European Cup reaching the semifinal Packed with anecdotal tales of the times it gives a fascinating insight into life at the club when the Famous Five were in their heyday right through to the mid sixties when a young lad by the name of Joe Baker burst onto the scene A game by game goal by goal account of the many highs and numerous lows At Easter Road They Play takes the reader on a fantastic journey back to the days when massive crowds flocked to Easter Road to see Hibernian play For any Hibs fan that lived through those heady days this book will bring back to life a host of happy memories whilst at the same time allowing those fans who were perhaps too young or not even born at the time to see just how different football was back then when compared to the modern day game A thoroughly enjoyable read Lawrie Reilly **The Threefold Cord** James Alan Anderson,2020-08-11 Despite an indifferent father and a mother who develops a serious mood disorder young twins Kevin and Robert and their younger brother Jonah experience an idyllic early life in rural Manitoba during the 1950s while in the loving care of their grandparents However that life comes to an abrupt end after their father converts to the esoteric beliefs of the Radio Church of God a radical fundamentalist sect that preaches strict discipline in preparation for an anticipated end time worldwide cataclysm Forced to move back home to live with their parents the boys are victimized by their father s extreme religious fanaticism which for the twins includes indoctrination sessions beatings and confinement in a basement coal cellar Rather than giving in to their father s brutality and brainwashing efforts the twins remain strong and find clever ways to survive their circumstances and even thrive within them Determined to be their younger brother s keeper the twins and Jonah form an unbreakable bond a proverbial threefold cord It is a bond of mutual support for one another that enables them to better cope with their father s abusive and controlling behaviour Although fictional *The Threefold Cord* explores many of the real life beliefs and practices of the Radio Church of God and deftly examines the grey area between a cult and a religion between discipline and abuse and asks what it takes for a person to decide where those lines should be drawn
