### Third Day:

**Is the Bible True?** David Robert Ord, Robert B. Coote, 2018-03-07 *Is the Bible True* offers a lively down to earth look at the origins and nature of the Bible. Minister David Ord and biblical historian Robert Coote address many of the questions raised when ordinary lay readers come face to face with dilemmas posed by modern biblical scholarship. Part I begins with the question of how the Bible should be read. *Is the Bible True* traces the experience of a person who has grown up reading the Bible literally but who on closer inspection discovers that literally is not nearly literal enough. The study of Scripture that ensues leads to a new approach to reading the Bible and uncovering its meaning for today. Part II asks how the Bible came to be. Who began the writing process and when? How were the books collected into the form we know now? Exactly what kind of book is the Bible? Part III shows how understanding the history and reality of the Bible can make reading it a more meaningful experience especially in sorting out the difficult issues that confront us every day. *Is the Bible True* succeeds in showing how a more sophisticated understanding of the scriptures can enhance rather than undermine faith. It is required reading for everyone who reads and studies the Bible. [Empty Tomb, Apotheosis, Resurrection](#) John Granger Cook, 2018-09-06 *Back cover*. In this work John Granger Cook argues that there is no fundamental difference between Paul's conception of the resurrection body and that of the Gospels and the resurrection and translation stories of antiquity help explain the willingness of Mediterranean people to accept the Gospel of a risen savior. **Public Health Reports**, 1923 [Rev. Tabb, 2021-11-17 The church's mission does not begin with the Great Commission but is integrally related to the grand storyline of Scripture. Did the Old Testament simply point to the coming of Christ and his saving work or is there more to the story? After his resurrection the Lord Jesus revealed how his suffering, glory and mission plan for the nations are in fact central to the biblical story of redemption. After Emmaus shows how Christology and missiology are integrally connected throughout Scripture especially in the teaching of Jesus and the apostles. Brian Tabb explains what Luke 24:46-47 reveals about God's messianic promises in the Old Testament, their fulfillment in the New Testament and the purpose of the church. By understanding Jesus's last words to his disciples, Christians today will be motivated to participate in the Messiah's mission. **Jesus the Messiah, Being an Abridged Edition of 'The Life and Times of Jesus the Messiah'** Alfred Edersheim, 1890 [An Illustrated and Popular Story of the](#)
