When We Went First Class:

When We Went First Class Ellen Williamson, 1977 **Filipino American Lives** Yen Le Espiritu, Yen Espiritu, 2010-06-17 First person narratives by Filipino Americans reveal the range of their experiences before and after immigration *The Life of Ian Curtis: Torn Apart* Lindsay Reade, 2009-11-05 Joy Division's vocalist Ian Curtis tragically took his own life in 1980 leaving behind just two haunting albums and a depleted band that would famously evolve into New Order. Over twenty five years later the cult surrounding Curtis shows no signs of fading. Fans make regular pilgrimages to his hometown of Macclesfield and to Manchester where the legacy of Joy Division and Factory Records has passed into legend. The authors of this biography are uniquely qualified to reveal the extraordinary events surrounding Ian Curtis. Mick Middle was the first journalist to interview Joy Division for the music press and formed a close association with the band. Lindsay Reade was a co-founder of Factory Records along with her then husband Tony Wilson. Together Middle and Reade have revisited the legend of Ian Curtis and produced the first full length account of this troubled man's life, work and relationships in the midst of the unique explosion of pop energy that hit Manchester in the late Seventies. Ido de Haan, coeditor of *Securing Europe After Napoleon: In the Netherlands the myth that resistance to Nazi occupation was high among all sectors of the population has retained a strong hold and yet many Dutch Jews fell victim to deportation and annihilation in the camps of Eastern Europe. How could a country that prided itself on its tolerance, adherence to legal norms and democratic government have been the site of such an enormous tragedy?* Even while Nazi arrests of Jews were taking place, Arnold Douwes, a gardener and restless adventurer, headed a clandestine network of resistance and rescue. Douwes had spent time in the United States and France and was arrested several times by the police after his return to the Netherlands in 1940. Keenly aware that he was doing something important, he started a diary in the summer of 1943. He hid some thirty-five small notebooks in jam jars at safe houses in the vicinity of his base in Nieuwlande, Drenthe. After the war, he dug the notebooks up and transcribed them, adding several postwar sections with scrupulous notations. Bob Moore has translated Douwes's diary into English for the first time, and he and coeditor Johannes Houwink ten Cate have added a historical and contextual introduction, annotations, and a glossary for readers who may not be familiar with Dutch technical terms or places. Organized chronologically and remaining largely as Douwes originally wrote it, the diary sheds light on the successes and failures of this important Dutch rescue network Dutch American Voices Herbert J.
