Which Is Better:

Generalist vs. Specialist Which Is Better IntroBooks Team, So to say a generalist is a utility person It is of course literarily generalized from a layman s point of view But technically speaking it is a term that draws quite a substance and is construed to be a person of versatility whose wisdom knows no barriers regardless of the legitimacy of the subjects Here supremacy over the subjects is least concerned On the other hand a specialist can be viewed in terms of division of labor Jobs can be allocated to different persons according to their skills and merits Resultantly the specialist is confined to a particular occupation and effectively discharges the role assigned to the entire satisfaction of a specific domain of stakeholders A specialist is supposed to be highly proficient in his defined field of action and tries to accomplish the slice of work entrusted to him It is worth mentioning here that a specialist s task is pre ascertained and the duties and responsibilities are undergone in keeping with the fixed norms and prescribed time frame *Which is best? or, Cottage sketches from real life* Thomas Harris WALKER,1857 **Hold fast that which is Good.
