## Whisper Goodbye:

**Whispers of the Forgotten Farmhouse** Saurabh Kumbhar ,2025-05-31 This is the story of 5 college students who go to a farmhouse for vacation and after reaching there many scary incidents happen with them This is the story of how they deal with it **Their Viscountess** Jess Michaels,2024-07-16 Jess Michaels is back with this spicy new historical romance From the time they were teenagers Emilia Wren and Aiden knew they desired and loved each other but their disparate classes and her father s intention to wed her to a title separated them cruelly for years They had all accepted that they would likely never be together again until a shocking truth pulls them into each other s orbit once more Emilia s marriage to a viscount was anything but happy and it has turned dangerous She believes he s trying to kill her and in desperation she reaches out to Aiden to steal her away and save her Meanwhile her husband has also hired Wren now an investigator to find his wayward wife and bring her back home Of course he has no intention to do so but he takes the case and finds his quarry Reunited at last with the terrible truth out the three must work together to find a way to save Emilia and themselves from ruin and potential death Along the way the passions they felt for each other all those years ago are sparked like dry tinder until they can no longer be denied Will they find a way to love each other for all time or will the danger that stalks them have its way in the end This is the fifth book in the *Theirs* series but can be read as a standalone **Dream Catcher** Phyllis

Sardone-Ferreira,2013-12 *Dream Catcher* is a compilation of poetry each with its own soul and heartbeat They are thoughts and words compiled by life experiences and sometimes from an unknown place They hit the page with much anticipation and enthusiasm as they carry words from deep inside They are dark and light filled with love and emptied by doubt They are true events and messages from heaven They are stories born from dreams and dreams that live in stories And dream catchers Before I could truly find you I lost you I am angry at fate because she s a liar Or perhaps it is her truth I find unsettling Darkness creeps in my head she screams my name over and over she knows it so well I am her play and she is the actor She screams my name and they applaud

**Before the Storm Ends : A Tale of Secrets and Hearts** Ira Rose,2026-01-06 *Before the Storm Ends* is a quiet emotionally intimate story about grief healing and the fragile hope that follows loss Set against the backdrop of winter and silence the novel follows a woman who is trying to survive the aftermath of heartbreak and emotional exhaustion She is not searching for love only for peace stillness and a way to breathe again But life has a way of offering connection when we least expect it As days pass slowly and conversations remain gentle the story unfolds through small moments unspoken emotions and the comfort of presence This is not a story driven by dramatic twists or loud promises It is about what happens after pain when two people learn to sit with their wounds instead of running from them Tender reflective and deeply atmospheric *Before the Storm Ends* explores how healing often arrives quietly through patience understanding and the courage to stay when leaving feels easier This book is for readers and listeners who appreciate slow emotional storytelling healing rather than heartbreak introspective characters calm winter like atmospheres love that grows
