**Tobias Bleicker**

## **Working Feminism:**

**Working Feminism** Geraldine Pratt,2019-08-07 Working Feminism looks at key concepts and debates within feminist theory and puts them to work concretely in relation to the real problems faced by Filipina domestic workers and Asian youth in Canada It draws to the fore the metaphorical and concrete geographies that lie implicit and underdeveloped within much feminist theory and suggests that a geographical imagination offers a means of reframing debates beyond polarised theoretical and political positions Alternating between theoretical and empirical chapters substantial and wide ranging discussions of human rights multiculturalism transnationalism and feminist politics are brought to earth and by putting them into the context of individual predicaments to life The empirical chapters build from a decade long collaboration with an activist group the Philippine Women Centre in Vancouver Canada They demonstrate the fruits of a close and innovative engagement between poststructuralist feminist theory and participatory action research The book demonstrates the immediate practicality of abstract debate and works away at divisions between culturalist and materialist theoretical and practical feminisms

**Feminism as Life's Work** Mary K. Trigg,2014-06-23 With suffrage secured in 1920 feminists faced the challenge of how to keep their momentum going As the center of the movement shrank a small self appointed vanguard of modern women carried the cause forward in life and work Feminism as Life s Work profiles four of these women the author Inez Haynes Irwin the historian Mary Ritter Beard the activist Doris Stevens and Lorine Pruette a psychologist Their life stories told here in full for the first time embody the changes of the first four decades of the twentieth century and complicate what we know of the period Through these women s intertwined stories Mary Trigg traces the changing nature of the women s movement across turbulent decades rent by world war revolution global depression and the rise of fascism Criticizing the standard division of feminist activism as a series of historical waves Trigg exposes how Irwin Beard Stevens and Pruette helped push the U S feminist movement to victory and continued to propel it forward from the 1920s to the 1960s decades not included in the wave model At a time widely viewed as the doldrums of feminism the women in this book were in fact taking the cause to new sites the National Women s Party sexuality and relations with men marriage and work and financial independence In their utopian efforts to reshape work sexual relations and marriage modern feminists ran headlong into the harsh realities of male power the sexual double standard the demands of motherhood and gendered social structures In Feminism as Life s Work Irwin Beard Stevens and Pruette emerge as the heirs of the suffrage movement guardians of a long feminist tradition and catalysts of the belief in equality and difference Theirs is a story of courage application and perseverance a story that revisits the bleak and lonely years of the U S women s movement and emerges with a fresh perspective of the history of this pivotal era

**Feminism** Correa Moylan Walsh,1917

**Millennial Feminism at Work** Jane Juffer,2021-11-15 In Millennial Feminism at Work volume editor Jane Juffer brings together recently graduated students from across the US to reflect on the relevance of their feminist studies programs in their chosen career paths The

result is a dynamic collection of voices shaking up preconceived ideas and showing the positive influence of gender and sexuality studies on individuals at work Encompassing five areas corporate education nonprofit medical and media careers these engaging essays use personal experiences to analyze the pressure on young adults to define themselves through creative work even when that job may not sustain them financially Obstacles to feminist work conditions notwithstanding they urge readers to never downplay their feminist credentials and prove that gender and sexuality studies degrees can serve graduates well in the current marketplace and prepare them for life outside of their alma mater Emphasizing the importance of individual stories situated within political and economic structures *Millennial Feminism at Work* provides spirited collective advice and a unique window into the lives and careers of young feminists sharing the lessons they have learned Contributors Rose Al Abosey Rachel Cromidas Lauren Danzig Sadaf Ferdowsi Reina Gattuso Jael Goldfine Sassafras Lowrey Alissa Medina Samuel Naimi Stephanie Newman Justine Parkin Lily Pierce Kate Poor Laura Ramos Jaimes Savannah Taylor Addie Tsai Hayley Zablotsky **Feminism** John Martin, Prestonia Mann Martin, 1916 **Gender Work** R.

Goodman, 2013-12-18 Recently labor has acquired a re emergent public relevance In response feminist theory urgently needs to reconsider the relationship between labor and gender This book builds a theoretically informed politics about changes in the gendered structure of labor by analyzing how the symbolic power of gender is put in the service of neoliberal practices Goodman traces the cultural contextualization of women s work from its Marxist roots to its current practices From the income gap to the gendering of industries Goodman explores and critiques the rise of corporate power under neoliberalism and the ways and whys that femininity has become one of its principle commodities **Feminism and Sex-extinction**

Arabella Kenealy, 1920 *Women and Work* Liz Sperling, Mairead Owen, 2020-08-26 This title was first published in 2000 The 1990s have been heralded as the age of women based on the facts that globally more women are benefiting from formal education and are in paid employment in greater numbers than ever As such the possibility that an age of post feminism has been reached in which battles for women s basic rights have largely been won is implied This book based on research across academic disciplines challenges such claims Using women and work as the basis analysis the authors consider whether such things as flexible working equal opportunities initiatives and even contemporary conceptions of citizenship are universally beneficial to women The book presents research ranging from issues of immigrant sex workers in Japan to the implementation of EU equality policies and raises the ironic question that as the global economy increasingly depends on women could a growing but uneasy alliance be developing between capitalism and feminism **Feminism** Judith

Harlan, 1998 Presents an overview of feminist history and explores the issues and orientations of modern feminist thinking Union Women Mary Margaret Fonow, 2003 For more than a quarter century steel mills in the United States and Canada have produced more than metal they have produced a new kind of worker and union activist Women of Steel In an era labeled postfeminist and postindustrial women have created spaces in this quintessentially male dominated workforce from

which to mobilize for their rights as women and workers In *Union Women* Mary Margaret Fonow captures the stories of the women of the United Steelworkers She focuses on a tenacious group who used their developing power in the union to challenge sex discrimination and to advocate for women s rights and applied their transnational resources to construct a feminist response to globalization and economic restructuring In the process they have transformed the organizations resources and networks of both the labor and women s movements and have in turn transformed themselves into feminists In *Union Women* Fonow uses statistical archival and ethnographic research methods to provide a broad historical account of women in the steel industry Fonow s sweeping approach allows her to examine several key issues in social movement feminist and political theory and to show that insights from these fields shape each other She explores how social movements are gendered how working class women develop a feminist consciousness and how this process is informed by intersecting demands of race class and gender As a comparative cross national study *Union Women* also demonstrates how different political and social cultures affect women s organizing and strategic decisions Finally Fonow emphasizes that economic restructuring and globalization pose immediate challenges for women as laborers and activists and that in order to survive all unions must develop organizing and mobilization strategies informed by feminism and other social movements *Women and Work* Susan Ferguson,2019-12-09 With metoo dominating headlines and an unprecedented number of women running for office the fight for women s equality has perhaps never been higher on the political agenda Around the world women are fighting against unfair working conditions restrictive abortion laws and the frayed social safety net The same holds true within the business world but there s a twist even as some women argue that pushing for more female CEOs would help the struggle for equality other activists argue that CEOs themselves are part of the problem regardless of gender In *Feminist Thinking about Work* Susan Ferguson explores the history of feminist discourse examining the ways in which feminists have conceptualized women s work and placed labor and its reproduction at the heart of their program for emancipation Engaging with feminist critiques of work Ferguson argues that women s emancipation depends upon a reorganization and radical reimagining of all labor and advocates for an inclusive politics that reconceptualizes women s work and work in general

*The New International Encyclopaedia* ,1929 **The Problem with Work** Kathi Weeks,2011-09-09 *The Problem with Work* develops a Marxist feminist critique of the structures and ethics of work as well as a perspective for imagining a life no longer subordinated to them **Feminism and the Politics of Literary Reputation** Charlotte Templin,1995 A must read for anyone interested in how gender popularity and financial success affect an author s literary reputation Choice A pioneering book Templin demonstrates clearly that the literary canon is not only about what people like to read it concerns what ideas and values will prevail in the society at large Jay Parini author of *The Last Station* Templin raises important issues about the peculiar position of the woman writer in the popular imagination Nancy A Walker author of *Feminist Alternatives*

**The New International Encyclopædia** Frank Moore Colby,Talcott Williams,1917 **Foundations of Feminism**

Avrom Barnett,1921 The author presents a critique of feminist theory by testing it against contemporary biological psychological physiological and sociological thought      **Feminism in Germany and Scandinavia** Katharine Anthony,1915

**Frontline Feminism 1975-1995** Karen Kahn,1995 This collection features over 80 essays from two decades of news analysis interviews reviews and letters from one of the nation s oldest and largest women s newspapers Sojourner The Women s Forum These articles are a microcosm of the lively and committed debates around some of the key issues of second wave feminism identity politics economic injustice politics of the family reproductive freedom women s health sex and sexuality violence against women and building alliances This anthology is a must for everyone interested in a wide ranging overview of the contemporary U S feminist movement and an in depth analysis of the issues BOOK JACKET      **The Life and Works of John Davis, 1774-1853** Thelma Louise Kellogg,1924      **Feminism & Psychotherapy I** Bruna Seu,M Colleen Heenan,1998-05-21 Feminism and Psychotherapy deconstructs the theory and practice of feminist therapy in contemporary society and challenges the view that one model of therapy or one model of feminism can be elevated above all others

As recognized, adventure as skillfully as experience practically lesson, amusement, as competently as arrangement can be gotten by just checking out a book **Working Feminism** afterward it is not directly done, you could recognize even more as regards this life, a propos the world.

We offer you this proper as skillfully as easy pretension to get those all. We come up with the money for Working Feminism and numerous books collections from fictions to scientific research in any way. in the course of them is this Working Feminism that can be your partner.
