

# The American Constitutional System

The American constitutional system serves to protect both liberty and order.

- The Founding Fathers believed that without a **constitution** and **rule of law**, an unchecked majority could act to promote the welfare of some over the welfare of others.
  - In a constitutional system, the people set up and agree on the basic rules and procedures that will govern them.
  - Rule of law is an ancient British legal principle, that established all are equal before the law, all are subject to the law, and no one is above it.
