Understanding Social Inequality Modeling Allocation Processes:

Understanding Social Inequality Hubert M. Blalock (Jr.), 1991 **Understanding Social Inequality** Hubert M. Blalock, 1991 Social inequality is a key facet driving sociological study both from a research and ideological perspective According to Blalock however sociological understanding of the processes leading to inequality are overly simplistic in their demonstration of the rich and powerful allocating resources to perpetuate their dominance In *Understanding Social Inequality* the author contends that the processes of allocating resources are far more intricate involving a process of complex actions reactions and feedback by all parties in the interaction Blalock develops a theoretical model of these processes to illustrate how resources are allocated in society and how the accumulation of many individual decisions ultimately **The Oxford Handbook of Justice in the Workplace** Russell Cropanzano, Maureen L. Ambrose, 2015-06-18 Justice is everyone's concern It plays a critical role in organizational success and promotes the quality of employees working lives For these reasons understanding the nature of justice has become a prominent goal among scholars of organizational behavior As research in organizational justice has proliferated a need has emerged for scholars to integrate literature across disciplines Offering the most thorough discussion of organizational justice currently available *The Oxford Handbook of Justice in the Workplace* provides a comprehensive review of empirical and conceptual research addressing this vital topic Reflecting this dynamic and expanding area of research chapters provide cutting edge reviews of selection performance management conflict resolution diversity management organizational climate and other topics integral for promoting organizational success Additionally the book explores major conceptual issues such as interpersonal interaction emotion the structure of justice the motivation for fairness and cross cultural considerations in fairness perceptions The reader will find thorough discussions of legal issues philosophical concerns and human decision making all of which make this the standard reference book for both established scholars and emerging researchers **Social Behavior as Resource Exchange** Kjell Yngve Törnblom, Ali Kazemi, 2023 Humans are social animals Thus we cannot survive in isolation We satisfy our needs through seeking maintaining and engaging in relationships and interaction with other people However social interactions are complex **Perpetuating Advantage** Robert E. Goodin, 2023-03-05 Injustices are in the first instance brute acts of identifiable individuals But they are typically perpetuated more subtly through seemingly innocent workings of innocuous social structures Critics of structural injustice are quick to call out that ruse They say much about all the sites where such structural injustices reside but without saying much as yet about how exactly structural injustice actually works By what specific mechanisms are unfair advantages and disadvantages perpetuated What specifically can we do to interrupt them That is the focus of this book in which Robert Goodin identifies several fundamental mechanisms of structural injustice social position networks language social expectations and norms reputation and organization His discussion is deeply informed by a wide range of social sciences mined with a philosopher's sharp eye to what matters and lucidly explained with a deft turn of

phrase Having exposed each of those specific mechanisms of structural injustice Goodin proceeds to explore what they all have in common The underlying drivers he shows are a combination of scale effects and attention scarcities That combination limits but also informs what can reasonably be done to overcome the various nefarious mechanisms that perpetuate unfair social advantage and disadvantage [Annual Review of Comparative and International Education 2019](#) Alexander W. Wiseman,2020-06-17 The Annual Review of Comparative and International Education 2019 examines the field of comparative and international education by bringing together scholars professionals and other stakeholders to investigate recent developments in the field that are relevant to contemporary and future educational reform and applications worldwide
