The Little Chair Rumer Godden, 1996 The story of a little chair used over five generations by one family The Little Vanities of Mrs. Whittaker John Strange Winter, 1904 **The Little Red Chair** CATHY STEFANEC. OGREN, 2024-08 One day a girl named Mia sees a little chair in an antique shop and knows it is just the right chair for her So Mia and her mother take the little chair home With new red upholstery the little chair becomes the perfect place for Mia to read and daydream But as Mia gets older she spends less and less time with the little red chair She's busy with school and friends One day it's time for Mia to leave for a new life Eventually the little red chair is packed up and moved to a corner in an attic Seasons come and go years and years pass by Will anyone rescue the little red chair Fine Meshwork Dan

O'Brien, 2020-02-28 In a 1984 interview with longtime friend Edna O'Brien Philip Roth describes her writing as a piece of fine meshwork a net of perfectly observed sensuous details that enables you to contain all the longing and pain and remorse that surge through the fiction The phrase fine meshwork can apply not only to O'Brien's writing but also to the connective threads that bind her work to others including most illuminatingly Roth's Since the publication of their first controversial novels in the 1950s and 1960s Roth and O'Brien have always argued against the isolation of mind from body autobiography from fiction life from art and self from nation In *Fine Meshwork* Dan O'Brien investigates the shared concerns of these two authors now regarded as literary icons in their home countries He traces their fifty year literary friendship and the striking parallels

in their books and reception bringing together what at first glance seem to be quite disparate milieus the largely feminist and Irish scholarship on O'Brien with Jewish and American perspectives on Roth. In doing so and in considering them in a transnational context he argues that the intertwined nature of their writing symbolizes the far ranging symbiosis between Irish literature and its American particularly Jewish American counterpart.
