Jones, 2013-05 Aaron Jones began writing poetry in the late 1980s He was inspired by his brother Eddie's band Southern Acoustic to compose his poems in the form of songs so they could be easily adapted to music Aaron's series of poetry collections is entitled Lyrics in Search of Music due the fact that Eddie could not write music to words already written Aaron's poetry covers a wide range of topics from the ups and downs of love to taking one step at a time to get one's life back on track He has created his poetry collection with the hope that at least one poem may have life breathed into it through the pairing of his lyrics with the right music Each poem a lyrical feast waiting to be launched by the perfect melody A unique journey towards mankind's constant search for hope It closely mirrors emotions that everyone experiences and can easily relate to The elements of great music lie within these pages waiting to be discovered Maleah Bagwell LMSW *The Book of The Love-Smitten Heart* Rene D'Anjou, 2013-01-11 Available only in Middle French and German translation until now this volume constitutes the first full length French English bilingual edition of Rene of Anjou's *Livre du cuers d'amours esprits* including all sixteen of the celebrated color plates a critical introduction notes on the translation and a comprehensive bibliography The book tells the tale of desire and adventure as Heart part of Rene torn from his body by Love travels a complex allegorical landscape in quest of the lady Mercy who is being held prisoner by a band of miscreants led by Refusal and Shame Rene begs the reader to help him determine which of three entities is responsible for his torment Fortune led him to the lady whom he loves once he arrived Love in the guise of his lady's gaze struck his heart and Destiny insists that he reflect upon her alone In addition to being a compelling courtly page turner *The Book of the Love Smitten Heart* represents the rare instance in which a medieval love story is told simultaneously in three frameworks autobiographical letter dream vision and quest romance This structure makes clear the multiple logics within which the author's psychology is reflected in the story and illustrates how the symbol of the heart as it travels through these shifting frameworks dramatizes vital relations linking self desire and writing
