## Sweet Mystery:

Robert Indiana Susan Elizabeth Ryan, Robert Indiana, 2000-01-01 The author argues that Indiana's strident visual language emerges from his tendency to recast his life in story and verse a fact that unlocks complex and secret tissues of figurative meaning within the deceptively simple canvases By illuminating the enigmas in Indiana's word and image combinations she helps to explain the longevity of LOVE and its influence on a later generation of artists BOOK JACKET

School's Out Bruce Rogers, Ross Jarboe finds himself stuck in time between his life in the novel's present it is set in the late 70s and his life in the past Twenty some years before his father moved his family from Boston to the safety of the Colorado Rockies and built an impervious fallout shelter under his house In the late 60s a commune formed not far from where Ross's family took refuge School's Out is the name of this community but the phrase also sums up a growing trend of the time a generation going out on its own No more pencils no more books no more teacher's dirty looks Freedom but not freedom without costs and dangers Ross moves to School's Out then goes to Mexico with Laurel a woman he meets there The novel opens about ten years later Ross is a single dad living in Boston He and his business partner Dean are taking a chance and are opening a Mexican restaurant The late seventies is a time of change not just for Ross but for his whole generation Life is getting more serious school bells are ringing again Ross must be a responsible restaurant manager At the same time he is a bit of a peeping tom spying on a woman who lives across the alley from him And his ex wife Laurel still living at an almost abandoned School's Out haunts his memories School's Out is a historical novel of the not so distant past recalling the way things were almost half a century ago The language the attitudes the details evoke the seventies as effectively as mood rings Herbal Essence shampoo disco sideburns and bell bottom pants Readers who were there and even those who weren't will feel immersed in the zeitgeist of that time *Symphony of 100 Poems* Fernando Kfer, 2024-02-07 Dear readers and poetry lovers It is with great emotion and enthusiasm that I share with you my latest work a deep dive into the universe of words and feelings This book of poetry is an intimate journey through the nuances of life where each verse is an echo of the heart each stanza is a sigh of the soul *Symphony of 100 Poems* Synopsis In these pages I sought to capture the ephemerality of love the melancholy of longing the bravery of hope and the mysteries that weave the web of existence Each poem is a painting of emotions an invitation to reflect on the wonders and challenges that permeate our journey What to Expect Feel free to explore the pages of this book like diving into an ocean of words Each poem is a bridge between the tangible and the ephemeral an attempt to express the indescribable beauty of human emotions Dear readers It is with immense gratitude and joy that I dedicate these words to you who kindly embarked on this poetic journey with me Creating this book was an experience of profound meaning and it could not have been possible without the support and inspiration of so many incredible people First of all I would like to thank my family for their patience unconditional love and constant encouragement To the friendships that brightened my days with laughter understanding and support my sincere thanks To

those who shared their stories feelings and experiences you are the true essence of these poems To the dedicated team who made this book a reality from editors to designers I thank you for transforming loose words into a tangible work To the mentors who guided my literary path my deepest gratitude And finally to you dear readers for allowing these poems to touch your hearts May this book be more than words on paper but a meaningful echo in your lives With all my love and gratitude
