Pamela Harris Williams, 2011-03 When you look at yourself in the mirror who do you see Do you see someone who is bold confident and determined or do you see someone who is timid shy and unsure How we see ourselves or our self perception can be an advantage that shines light on the pathway to our success or it can be the storm cloud that guides us to our demise How we perceive ourselves will ultimately determine the outcome of our lives be it victorious or disastrous and these perceptions tend to be affected by how others see us But there is only one precise standard we can use to measure the accuracy of our self perception the Word of God Unfortunately many of us will never experience the lives God has for us because we won't perceive ourselves as He does It's time for that to change We can and we will reclaim ourselves Once you discover who you are in Christ you can move toward the destiny God has for you In this inspirational book you'll find the key components to changing your life for the better Understand who you are in Christ via perceptions Move beyond negativity and wrong associations Rebuild those things that were once alive and vibrant in your life Experience complete restoration Increase your confidence in God and yourself Allow Pamela Harris Williams to provide you with a mirror so you can Take
