how historic orthodox doctrines are taught or reinforced throughout Scripture With contributions from an array of influential pastors and church leaders these gospel centered studies will help Christians see and cherish the message of God s grace on every page of the Bible The book of Song of Solomon recounts the romantic love between a young man and a young woman written in the form of poems The depiction of marriage in this book characterized by beauty passion difficulty and commitment offers modern readers a divine perspective on human love This 12 week study highlights the practical wisdom embedded in this poem and its place in the larger biblical story reflecting God s love toward his people and offering a much needed message for our world today Part of the Knowing the Bible series SCM Studyguide: Preaching Peter K. Stevenson,2017-01-31 Peter Stevenson provides an introduction to the practice of preaching It is designed for people from various church traditions in the early stages of ministerial formation Preaching is a complex and challenging business requiring a demanding mixture of skills People listening to a sermon have the right to expect that a person who stands up to preach can interpret the Bible competently has a grasp of core Christian beliefs and believes what they preach They also expect someone who has the necessary range of communication skills to put the message across in an accessible way Such a range of expectations presents daunting challenges to the most experienced preacher Including practical exercises which could be used by individuals or by groups this book is suitable for introductory courses in preaching or for modules which consider preaching within an overall focus upon leading public worship *Bible Class for Adults and Youth Bible Sermons*,2024-12-22 Sex in the Bible Yes For many it is a surprise to find a poem of love and sexual intimacy in the Bible What should we do with this book Some suggest that we read this book only from a symbolic and representative point of view of God s unconditional love for his people Others think it is better to understand it as a manual for marriage and find in it a treasure trove of marital delights Perhaps both approaches are valid In any case the Song of Songs is a magnificent illustration of physical love and its proper expression within the bonds of marriage as part of God s marvelous creation In reading this book it may be helpful to understand that the images of beauty charm and elegance contained within its pages are not to be analyzed but to be appreciated intuitively If you are married reading it will encourage you to reflect on the level of intimacy and care that characterize your relationship with your spouse If you are single you can take seriously the final exhortation to chastity until marriage Song 8 8 9 The Song of Solomon celebrates romantic and sexual love as a gift from God to be enjoyed in the context of marriage Taking care of oneself sexually before marriage and enjoying fidelity within marriage are the results envisioned in this beautiful song My beloved is mine and I am his The Bride in the Song of Songs 2 16 3 4 This Bible study series is perfect for Christians and non Christians young and old It offers an engaging and interactive way to learn the Bible with discussion topics and valuable teachings that will help you dig deeper into the Scriptures and strengthen your faith Whether you are a beginner or a seasoned Christian this series will help you grow in your knowledge of the Bible and strengthen your relationship with God Led by brethren with exemplary testimonies and extensive knowledge of the
