The Souls Fire:

Fire in the Soul John Ryan,2013-04-04 This Johns fifth book of poetry is an indication of what happens when a writer is passionate and dedicated to his craft A full time writer in his retirement John enjoys every moment but suffers from Writers Block more often than not I work myself too hard sometimes he says I work through the night when the Muse is about and read voraciously I can spend days agonizing over apparently trivial words but it has to be right John travels regularly to family in South Africa Germany Poland and Ireland he gets inspiration from the smallest details indeed attention to detail is what makes my life what it is a passionate love affair with people with the inconsequential trappings of everyday life he says
