**The Time Machine** H. G. Wells, 2016-12-22 So in the end above ground you must have the Haves pursuing pleasure and comfort and beauty and below ground the Have nots the Workers At a Victorian dinner party in Richmond London the Time Traveller returns to tell his extraordinary tale of mankind's future in the year 802 701 AD It is a dystopian vision of Darwinian evolution with humans split into an above ground species of Eloi and their troglodyte brothers The first book H G Wells published *The Time Machine* is a scientific romance that helped invent the genre of science fiction and the time travel story Even before its serialisation had finished in the spring of 1895 Wells had been declared a man of genius and the book heralded a fifty year career of a major cultural and political controversialist It is a sardonic rejection of Victorian ideals of progress and improvement and a detailed satirical commentary on the Decadent culture of the 1890s This edition features a contextual introduction detailed explanatory notes and two essays Wells wrote just prior to the publication of his first book

*The Time Machine* H.G. Wells, 2010-09-01 Themes Hi Lo adapted classics low level classics graphic novel These literary masterpieces are made easy and interesting This series features classic tales retold with color illustrations to introduce literature to struggling readers Each 64 page softcover book retains key phrases and quotations from the original classics What would it be like to travel thousands of years into the future How would Earth have changed Would people have changed too Step aboard *The Time Machine* and journey to the year 802 701 Learn how humankind has evolved into two races one simple and child like and the other strange and terrifying Then join the Time Traveler as he travels still further revealing the final secrets of Earth's future

**The Time Machine** H.G. Wells, 2001-02-12 Wells was interested in the implications of evolutionary theory on the future of human beings at the biological sociological and cultural levels and *The Time Machine* short and readable draws on many of the social and scientific debates of the time The Broadview edition of this science fiction classic includes extensive materials on Wells's scientific and political influences
