## **Two Bullets For Sergeant Franks:**

*Two Bullets for Sergeant Franks* Sarah Jane Singer, Edward Ronny Arnold, 2003-09-01 In 1864 a drought caused a small lake to recede What lay at the bottom of the lake sent hundreds of Union soldiers to the small town of Gladeville Tennessee In 1861 The men of Gladeville joined the Confederate Army Union soldiers had taken all of their food and live stock Among the Gladeville men were two brothers George and John Cluck George was nineteen John was eighteen Only old men women and children remained Victoria and Candis were betrothed to George and John Every day Victoria and Candis went to the Gladeville Church to wait for George and John to return As the months passed their hope dimmed but their love grew Based on fact fiction and a local legend Two Bullets for Sergeant Franks is the story of a Sergeant that held the men together for battle It is the story of true events from the Confederate archives of George and John s military careers It is the story of two women who waited for them to return It is the story of the dead Union soldiers found in the receded lake **The Drummer**

**Boy** Samuel J. Muscroft, 1888 **Capone** Laurence Bergreen, 2013-05-21 In this brilliant history of Prohibition and its most notorious gangster acclaimed biographer Laurence Bergreen takes us to the gritty streets of Chicago where Al Capone forged his sinister empire Bergreen shows the seedy and glamorous sides of the age the rise of Prohibition the illicit liquor trade the battlefield that was Chicago Delving beyond the Capone mythology Bergreen finds a paradox a coldblooded killer thief pimp and racketeer who was also a devoted son and father a self styled Robin Hood who rose to the top of organized crime Capone is a masterful portrait of an extraordinary time and of the one man who reigned supreme over it all Al Capone

The Thin Green Line Richard Doherty, 2005-03-19 Formed out of the Royal Irish Constabulary at the time of Partition the RUC s history is predictably a turbulent one right through to its replacement in 2001 by the Police Service of Northern Ireland Few police forces in the world have suffered so grievously as the RUC and this book is a fitting memorial to the sacrifices made in the interests of the civil population it was determined to protect Throughout its history it has not only had to perform normal police duties but contain the ever present IRA threat In 1969 the climate changed and ushered in a new and even more violent era of sectarian strife The emergence of extreme nationalist organizations posed grave problems and with the RUC in a prime role the position of the Chief Constable was hugely important This book tells the story of a remarkable police force without fear or favor Ironically its reward for containing a hugely challenging internal security situation and at the same time policing the community traditionally was its disbandment **"Strong Men of the Regiment**

**Sobbed Like Children"** John Michael Priest, 2024-05-23 Historian and author John Michael Priest brings to vivid reality the chaos combat heroism and hurting that engulfed the Army of the Potomac s I Corps west of Gettysburg on that bloody Wednesday It is an excellent addition to Gettysburg historiography It is definitely a resource upon which current and future historians and authors will use widely Emerging Civil War The fighting on the first day at Gettysburg on July 1 1863 was unexpected heavy confusing and in many ways decisive Much of it consisted of short and often separate simultaneous

engagements or firefights a term soldiers often use to describe close vicious and bloody combat Several books have studied this important inaugural day of Gettysburg but none have done so from the perspective of the rank and file of both armies John Michael Priest's *Strong Men of the Regiment Sobbed Like Children* John Reynolds I Corps at Gettysburg on July 1 1863 rectifies this oversight in splendid style When dawn broke on July 1 no one on either side could have conceived what was about to take place Anticipating a fight and with a keen appreciation for terrain Brig Gen John Buford deployed his Union cavalry in a giant arc north and west of Gettysburg to slow down any Confederate advance until Maj Gen John Reynolds could bring up his infantry By the time the foot soldiers of the I Corps arrived A P Hill's heavy Confederate formations had pushed back the troopers from the west Richard Ewell's troops would soon arrive from the north threatening the town and its key road network Reynolds who would die early in the fighting poured his troops in as they arrived The road system and undulating ground broke up command control and the various ridges tall ground cover and powder smoke made target recognition difficult Brigades and regiments often engaged on their own initiatives without the direction of a division or corps commander The men of both armies fought with determination born of desperation valor and fear By the time the fighting ended the I Corps was in shambles and in pell mell retreat for Cemetery Hill Its bold stand together with the XI Corps north of town bought precious hours for the rest of the Army of the Potomac to arrive and occupy good defensive ground Priest who Edwin Bearss hailed as the Ernie Pyle of the Civil War spent a decade researching this study and walking the ground to immerse readers into the uncertain world of the rank and file experience He consulted more than 300 primary sources including letters diaries memoirs newspaper accounts recollections casualty lists and drill manuals to present the battle from the ground up Nineteen detailed regimental level maps illustrate the ebb and flow of the battle The result is a fast paced narrative sure to please the most demanding students of the Civil War The footnotes alone are worth the price of admission Readers will close the book with a full understanding of why a veteran New Yorker spoke for the survivors of both armies when he wrote *Strong men of the regiment sobbed like children* *California.
