**California (State).**

## Two Guadalupes:

**Two Guadalupes** Marta Weigle, 1987 *The Virgin of Guadalupe and the Conversos* Marie-Theresa Hernández, 2014-07-15 Hidden lives hidden history and hidden manuscripts In *The Virgin of Guadalupe and the Conversos* Marie Theresa Hernández unmask the secret lives of conversos and judaizantes and their likely influence on the Catholic Church in the New World The terms converso and judaizante are often used for descendants of Spanish Jews the Sephardi or Sefarditas as they are sometimes called who converted under duress to Christianity in the fourteenth and fifteenth centuries There are few if any archival documents that prove the existence of judaizantes after the Spanish expulsion of the Jews in 1492 and the Portuguese expulsion in 1497 as it is unlikely that a secret Jew in sixteenth century Spain would have documented his allegiance to the Law of Moses thereby providing evidence for the Inquisition On a Da Vinci Code style quest Hernández persisted in hunting for a trove of forgotten manuscripts at the New York Public Library These documents once unearthed describe the Jewish Christian religious beliefs of an early nineteenth century Catholic priest in Mexico City focusing on the relationship between the Virgin of Guadalupe and Judaism With this discovery in hand the author traces the cult of Guadalupe backwards to its fourteenth century Spanish origins The trail from that point forward can then be followed to its interface with early modern conversos and their descendants at the highest levels of the Church and the monarchy in Spain and Colonial Mexico She describes key players who were somehow immune to the dangers of the Inquisition and who were allowed the freedom to display albeit in a camouflaged manner vestiges of their family's Jewish identity By exploring the narratives produced by these individuals Hernández reveals the existence of those conversos and judaizantes who did not return to the covenantal bond of rabbinic law who did not publicly identify themselves as Jews and who continued to exhibit in their influential writings a covert allegiance and longing for a Jewish past This is a spellbinding and controversial story that offers a fresh perspective on the origins and history of conversos Federal Energy Guidelines United States. Federal Energy Regulatory Commission, **Sacred Song in America** Stephen A. Marini, 2003 In *Sacred Song in America* Stephen A. Marini explores the full range of American sacred music and demonstrates how an understanding of the meanings and functions of this musical expression can contribute to a greater understanding of religious culture Marini examines the role of sacred song across the United States from the musical traditions of Native Americans and the Hispanic peoples of the Southwest to the Sacred Harp singers of the rural South and the Jewish music revival to the music of the Mormon Catholic and Black churches Including chapters on New Age and Neo Pagan music gospel music and hymnals as well as interviews with iconic composers of religious music *Sacred Song in America* pursues a historical musicological and theoretical inquiry into the complex roles of ritual music in the public religious culture of contemporary America **Biological Investigations in the Guadalupe Mountains National Park, Texas** Hugh H. Genoways, Robert J. Baker, 1979 Reconnaissance of the Guadalupe Mountains Ralph Stockman Tarr, 1892 **The Chicano Index**, 1989 *Marine Mollusca of Guadalupe Island*,
