The Snitch:

The Snitch Bob Leuci,2016-03-22 When a police raid goes wrong the fallout is deadly Nick Manaris is a promising detective but he s lost his love for the job After years wading through the worst the city has to offer life as a cop has begun to feel like torture Assigned to work with slick detective Sonny McCabe and his gang of cowboys Nick knows he s gotten in over his head Sonny believes a gang of Cubans has come to an agreement with the Mafia trading guns for drugs and he wants to nip their alliance in the bud He convinces Nick to get them a warrant for a raid and the result is tragic The information given by Sonny s snitch is wrong and the raid turns into a bloody mess With two cops and a host of suspects dead Nick and his fellow officers are marked for revenge and their lives are about to get a whole lot worse *The Booster and the Snitch* Mary Owen Cameron,1964

Masculinities in the Criminological Field Ingrid Lander,Signe Ravn,2016-05-06 Over recent decades criminological research has changed from a gender blind discipline which equated crime with men and thus ignored questions about gender to an approach that studied gender by showing statistical differences between men and women and then finally to a more inclusive and elaborate gender theoretical approach to crime and crime control However despite this development research on gender and in particular research on gendered norms and the construction and enactment of masculinities within the criminological field has been unable to keep up with developments in gender research Since 1990 only a few anthologies with a gender theoretical orientation focusing on masculinities within the criminological research field have been published Many of the theoretical developments in gender research still have difficulties in reaching into mainstream criminology partly because such developments are often published in feminist and or gender theoretical journals This volume both problematizes and renders visible conceptions and norms regarding male behaviour and masculinities and shows how these affect the criminological field through providing a theoretically sound and clear gender perspective to this field of research With sections based around the following three themes negotiations of masculinity in institutional settings vulnerable masculinities and risk taking and masculinities this volume will be of interest to scholars of criminology sociology social work and gender studies as well as policy makers and law enforcement professionals The Ultimate Guide to the Harry Potter Fandom Erin Anne Pyne,2010

American Justice in the Age of Innocence Hillary K. Valderrama,Jennifer L. Hopgood,Sandra Guerra Thompson,2011-07-27 The exoneration of more than two hundred and fifty people who have been wrongfully convicted makes it clear that Americas criminal justice system isnt foolproof Its important to understand the causes of wrongful conviction in order to find solutions to this growing problem Edited by one of the nations leading legal scholars and two of her top students this collection of essays examines critical issues including what American justice in the age of innocence looks like how to implement procedural mechanisms to ensure the integrity of the judicial system while safeguarding the public whether or not the legal system is doing a good enough job uncovering wrongful convictions This anthology provides insightful lessons based on cutting edge research and legal analysis Wrongful convictions are not a

foregone conclusion but the justice system must break free from a pattern of punishing innocent people and go after the true culprits Written for judges lawyers and scholars alike American Justice in the Age of Innocence educates the public and helps current prisoners who are innocent contest their wrongful convictions Media and Criminal Justice: The CSI Effect Dennis J.
