The Third Grave:

The Third Grave Lisa Jackson, 2022-07-26 A thrilling new crime novel from the bestselling author of *You Betrayed Me* perfect for fans of Sandra Brown and Iris Johansen Return to the dark side of Savannah Georgia where a crime writer and her police detective husband are working a cold case and hot on the trail of a killer whose work isn't done The old Beaumont mansion is a rotting shell of its once grand self especially after a disastrous hurricane sweeps through Georgia The storm does more than dislodge shutters and shingles It leads to a grisly find in the cellar Three graves But only two skeletons For Nikki the discovery is a gift the perfect subject for her next crime book though Reed has made her promise not to keep involving herself in dangerous police business But despite the increasing tension between them Nikki can't stay away from this story Rumors are widespread that the burial site is the resting place of the Duval sisters three young girls who went to the movies with their older brother Owen twenty years ago and never returned Forensics confirms that the remains belong to Holly and Poppy Duval But where is the youngest sister Rose Owen Duval was and remains the prime suspect alibi or no But as Nikki and Reed delve deep into the mystery fractures in the case begin to show There is more to the sisters disappearance than anyone ever guessed Far from an isolated act those deaths were just the beginning And there will be no rest and no relenting until the killer has buried the twisted truth along with his victims

The Third Grave David Case, 2019-04-30 When archaeologist Thomas Ashley is invited to remote Devonshire by Lucian Mallory to examine and decipher millennia old papyrus scrolls he is unable to resist the offer despite knowing of Mallory's sinister and unsavory reputation The scrolls retrieved from an ancient necropolis purportedly contain Egyptian secrets of resurrection and immortality From the moment of Ashley's arrival it is clear something is terribly wrong a gruesome murder has been committed and everyone is fearful a madman is on the loose But the truth is far more shocking As the murders continue Ashley works to uncover the secrets contained in the scrolls and begins to glimpse the horrific reality of Mallory's inscrutable plan Originally published as a limited edition Arkham House hardcover and long out of print *The Third Grave* 1981 is a chilling tale by David Case 1937-2018 an undeservedly neglected master of literary horror Two volumes of Case's best short fiction are also available from Valancourt Case should be considered among the half dozen finest living practitioners of the horror story Michael Dirda *The Washington Post* Let us hear more of David Case The field needs more from the author of *The Hunter* a modern classic worthy to stand beside *The Most Dangerous Game* Ramsey Campbell
