Two Crows Came:

The Fighting Cheyennes George Bird Grinnell, 1915 Grinnell lived among the Cheyenne in the latter part of the 19th century He was a deeply sympathetic observer of Indian life culture In this volume Grinnell gathered both Cheyenne White accounts of the many battles between the two He carefully explored Cheyenne culture the way the Cheyenne to the threats on an alien society To Spoil the Sun Joyce Rockwood, 2003-09 Omens forewarn Rain Dove and the other Cherokee Indians who live in Mulberry Town a sixteenth century village in the southern Appalachians of the disease and upheaval that will come upon them following the arrival of Spanish explorers *The Legend of Snow and Little Rose* D.C.

Townsend, 2019-09-14 This is a legend of a time long ago retold many times to many generations It is of love and adventure and of good versus evil Growing up Snow was a shy boy and Little Rose was a skinny pesky girl They lived in a village next to a river that flowed through the beautiful peaceful valley that was their world Their valley had all that their people needed and wanted fish to catch in the river game in the woods to hunt and berries roots grain and herbs to be gathered All in their village worked together making life good Their peace and harmony are shattered Challenges are forced on Snow Little Rose and their people Courageous deeds define a hero Legends are created by people that are much more than heroes Legends are created by those that inspire their people with great virtues Snow and Little Rose are thrust into many situations not of their making or desires With a good heart determination and a lot of good luck they become much more than they thought they could be The great spirits created men and women to bond together to become more than the sum of them as individuals **Reading in the Primary Grades** Frances Jenkins, 1915 **Happy Hunting Grounds** Stanley Vestal, 1928

Custer's Last Campaign John S. Gray, 1993-01-01 Easily the most significant book yet published on the Battle of the Little Bighorn Paul L Hedren Western Historical Quarterly Gray has applied rigorous analysis as no previous historian has done to these oft analyzed events His detailed time motion study of the movements of the various participants frankly boggles the mind of this reviewer No one will be able to write of this battle again without reckoning with Gray Thomas W Dunlay Journal of American History Gray challenges many time honored beliefs about the battle Perhaps most significantly he brings in as much as possible the testimony of the Indian witnesses especially that of the young scout Curley which generations of historians have dismissed for contradictions that Gray convincingly demonstrates were caused not by Curley but by the assumptions made by his questioners The contrasts in this book restate the basic components of what still attracts the imagination to the Little Bighorn Los Angeles Times Book Review Gray s analysis by and large is impressively drawn it is an immensely logical reconstruction that should stand the test of time As a contribution to Custer and Indian wars literature it is indeed masterful Jerome A Greene New Mexico Historical Review John S Gray was a distinguished historian whose books included the acclaimed Centennial Campaign The Sioux War of 1876 Custer s Last Campaign is the winner of the Western Writers of American Spur award and the Little Bighorn Associates John M Carroll Literary Award The Keddah Annals
