The Divine Source Razor Whitewolf,Shannon Shifflett,2005-02 It is not known when the cycle began but one thing is certain it will never end The remnants of an ancient civilization begin to uncover the forbidden past that left them in ruins A culture that spanned the universe is reduced to barely covering a singular plane Now even that meager life is threatened with utter annihilation Oblivion looms on the horizon and only a few can see it approaching The Dreamer is left to weave the Threads of Fate as the Keeper troubles the Waters of Destiny these evolved souls begin to twist the events in the Six Dynasties Through dreams and visions they awaken primary souls that sleep in this time of crisis Will those individuals accept their inner flaws and move past the mistakes that have held them back for countless lifetimes Or will they fall victim to this circle of seemingly inevitable events Truth is a novelty that has been secluded by the passage of time This web of lies hangs precariously in the balance Is hope an illusion another deception Or can that thread be taken into the right hands becoming the key to our next step in the evolution of the soul
