**The Restless Quest** Julian Hartt, 2004-10-04 The Restless Quest is a collection of essays by Julian N Hartt These essays came out of Dr Hartt s teaching and ministerial experiences most are the results of years of observation and reflection Throughout them he applies a persistent and coherent position to a variety of theological topics Dr Hartt shows us that not all traditional Christian beliefs have been liquidated by secularist presumption or liberal construction Because of his very lucid writing it is not necessary to learn first what Barth Tillich Bultmann or their disciples have said He further illustrates that there are ways of doing theology in the context of American life and the American church that do not perpetuate the myth that all theological styles necessarily derive from Germany or Denmark Julian N Hartt writes God s forgiveness is truly wonderful he has everlastingly in view the renewal of a human resolution to walk ever in more Godly ways Practice in this will not bring in the kingdom of God no matter how inspired and unsparing the practice is It will help it will surely help self and others to learn what that kingdom is all about For as Christ is our pioneer and our warrant that kingdom is the prize and joy of all desiring
