Understanding The Old Testament:

The Beginning of the Story Timothy J. Geddert, 2023-10-03 Rediscover the essential beginning of the most important story ever told Although the Bible contains sixty six books that usually span over a thousand printed pages most Christians turn first and sometimes only to the New Testament So often Christian readers have little idea what to do with the Old Testament if we read it at all Sure we value a few well known stories and use a few psalms for personal devotions and for worship Beyond that many Christians find the Old Testament mostly confusing troubling or irrelevant But to understand the Bible as the grand story that it is the story of God s dealings with humanity and relationship to the whole universe we must learn to read the first three quarters of Scripture as Jesus did and as the New Testament teaches us to do Walking through the arc and major themes of the Old Testament narrative author and biblical scholar Timothy J Geddert guides curious readers of the Word into a fruitful and fulfilling reading of the Bible s first thirty nine books restoring joy in reading and studying the most important story ever told *Reading and Understanding the Old Testament* Thomas B.
