Understanding the Doctrine of the Trinity John Weekes, 2001-04-29 In writing this book I was mindful of the many areas of conflict that exist between Christian and Christian Christian and Jew Christian and Jehovah Witness Members of The Church of Latter Day Saints and others The purpose was to examine critically some of the main areas of conflict and measure them against what the bible has to say concerning the Godhead Father Son and Holy Spirit and to arrive at a reasonable honest and dispassionate conclusion One very clear and positive way was to show that Jesus that great and unusual man of history was indeed a man from heaven and is in fact God incarnate Even those who have not accepted Jesus as God or equal with God must admit that he was like no other He was born in a lowly stable and died a convicted felon Yet the world in short order turned to him Even the mighty Roman Empire which initially haunted and crucified hanged and hounded Christians eventually turned to Him and acknowledged Him The evidence then is that Jesus is someone special The Jewish ruler

Nichodemus acknowledged he was from God It follows therefore that if Jesus was from God then it is reasonable to accept that he was a person of truth and integrity Yet Jesus said he was God God seems to have been well pleased with Jesus Is it not reasonable therefore to accept Jesus at His word Commonsense and logic answers a resounding Yes "Understanding the Trinity" Will Daniels,2009-02-26 Understanding the Trinity is a revolution in Christian thought and philosophy True Christianity is a Jewish religion established and organized by Jews Gentiles were invited by Jews with God s approval to participate in the Christian movement However Gentile Leaders in most Christian Churches of the world today do not preach the original Christian gospel message of salvation that was first delivered to the saints by the apostle Paul Galatians 1 8 9 Understanding the Trinity Three Persons vs Three Manifestations will bring us back to the original gospel message the oneness of God and the power of God s name in the face of Jesus Christ Deuteronomy 6 4 Luke 2 11 When Billy G Newton Bishop Diocesan of the 29th Episcopal District Pentecostal Assemblies of the World Inc Pastor of the Word of God Church read this book he said This book was so fascinating I couldn t put it down When Kevin Seraaj M Div J D Senior Pastor Cornerstone Baptist Church Publisher Central Florida Advocate News read this book he said Understanding the Trinity is a timely relevant and extremely provocative piece of work In a time when the church must be challenged to move out of old ways notions thoughts and traditions this book will without question provide a forum for much needed theological discussion For students of the Bible this book is a must read for it is always that process of reading analyzing and debating that enables us to move forward in both our personal and spiritual journeys Great job Author s Note You have in your possession the true gospel of Jesus Christ Don t let the birds steal your seeds Matthew 13 3 13 KJV *The Trinity of the Three* Ayodele Ajileye,2020-01-29 One of the mysteries in human life which Christians try to explain or have better knowledge of is the trinity three in one personality of God as well as the concept of human s spirit soul and body In a bit to understand or explain these concepts a lot of heresies have been celebrated due to misinterpretations In this book Dele revealed certain truths about the trinity of God the trinity of man and surprisingly the trinity of Satan He also explained how they are being applied This is an interesting book in deed and it s resourceful **Understanding the Trinity** Max Hatton,2001-01-01

Understanding the Trinity John Peter Arendzen,2004 **The Tripersonal God** Gerald O'Collins,2014-05-14 Examines the Old Testament roots of trinitarian thought the historical developments that gave rise to the doctrine of the trinity and contemporary thinking about trinitarian issues **Understanding the Oneness of God and the Conspiracy Against Jesus Christ and the Christian Church** Will Daniels,2014-04-10 A Companion Book to Understanding the Trinity Three Persons vs Three Manifestations Throughout Church history there has been confusion over the oneness of God and the Trinity Who is Jesus Christ Is he God Man or both God and Man And who or what is the Holy Ghost Understanding the Oneness of God and the Conspiracy against Jesus Christ and the Christian Church seeks to relieve your confusion and help you understand Natural and spiritual conspiracy theories Gods name in Hebrew Greek and English Church history and

theological discussions A new revolutionary oneness in Christian Theology Major religions and the oneness of God Who is Jesus Christ really The oneness of God Deuteronomy 6 4 The Trinity Father Son and Holy Spirit Modalism vs oneness theology Who is the one Lord God Almighty The dual nature of God Spirit and Flesh The relationship between the Sabbath and Sunday Antichrist statements made by Christians Gods highest and most glorious name The apostles doctrine How to be born again through water and Spirit The Great Commission How Jesus Name was used in the born again experience How the keys of the kingdom of heaven were used How to be born again and how the keys of the kingdom of heaven were used to build the church upon the Rock of Jesus Christ Will Daniels books are required reading for my students If you are seeking truth read this book Dr Lillie V Brandon pastor and founder of Gods Miracle House of Prayer Church **My God Is a Trinity** Jerry Kofi Tutu,2015-08-23 Lack of understanding of the concept of the Holy Trinity has plagued the church of Jesus Christ for more than two thousand years But this doctrine is not difficult to understand when we restrict ourselves solely to the sayings of our Lord Jesus Christ the author and finisher of our faith Although the bible does not mention the word Trinity in all the books however there is a word mentioned in the bible that confirms the doctrine of the Holy Trinity This word reveals the plurality in unity of the divine nature of God The word Godhead appeared 3 times in the New Testament and an in depth study of this word unveils the concept of the Holy Trinity It was translated from the Greek word THEIOS which is translated in Thayer s Greek English Lexicon of the New Testament as the Holy Trinity comprising the Father Jesus Christ and the Holy Spirit So the bible do indeed mention the Holy Trinity but by a different name As a former Muslim the subject of the Holy Trinity became a major stumbling block in my early Christian walk and therefore I devoted almost two decades of my life seeking for answers to this elusive Christian doctrine Progressively the Lord gradually revealed this concept to me in a very easy to understand manner So in this book you will find answers to some of the questions that most of us ask in our quest to understand the Holy Trinity For example is Jesus Christ the same as God Or is Jesus Christ the only Begotten Son of God What did Jesus imply when He said I and the Father are one Was He denying the Holy Spirit as part of the trinity since He didn t say I the Father and the Holy Spirit are one but instead He left out the Holy Spirit and said I and the Father are one These and many other probing questions would be answered based on the sayings of our Lord Jesus Christ Moreover did Christendom borrow the doctrine of the trinity from pagan religions in antiquity at the Council of Catholic Bishops at Nicaea in the fourth century AD Or did the council of Nicaea echo a truth recorded in the bible from the beginning of time The Holy Scriptures clearly unveils God to the reader without any ambiguity but human interpretations had confused this doctrine thus making it difficult to understand The bible does not address the Holy Trinity as God the Father God the Son and God the Holy Spirit Instead the bible addresses the Holy Trinity as God the Father the Son of God and the Holy Spirit of God So what is the difference between these two descriptions Through the pages of this book you will find answers to these and many other probing questions Jesus Christ in the Gospels answered all these questions **Making Sense of the Trinity** Millard J.

Erickson,2000-05 This user friendly guide by a noted biblical scholar explores three crucial questions that often pose difficulty for those seeking to understand the doctrine of the Trinity ["Understanding The Trinity Of The Triune God!"](#)

Jaco Beyers,2017-08-31 In a religious pluralistic society the other cannot be ignored even less so when there is a familial relationship between religions The way in which Judaism and Christianity relate can be conceptualised in many different forms depending on the theory one subscribes to Did Judaism and Christianity derive from a common ancestor Did Christianity spring from Judaism and if so when Why did the final cut between the two take place Did Christianity replace Judaism If so how can the relationship between them now be described Before interaction between the two religions is possible an honest and unbiased attempt to understand each other must be mutual This is a painful and difficult exercise as Christians and Jews seem to have been at odds since forever This publication is not the final word on the relationship but perhaps it serves as an invitation to Jews and Christians for peaceful engagement **The God Who Is Triune**

Allan Coppedge,2007-10-01 The triunity of the Christian God is not just one isolated doctrine among others Allan Coppedge draws out the implications for our understanding of God s nature attributes roles relationship to creation and providence *The Mind Doctrine*

George Kuntu-Blankson,2018-02-22 The human mind is a spiritual phenomenon and understanding the development of the mind is essential to understanding the search to know God It is the mind which connects us to God and to search to know God one must first search to know himself or herself Without knowing self it is impossible to know God [Understanding the Trinity](#)

David H. Maxfield,2021-01-06 Understanding the Trinity All three major religions identify with the God of Abraham They differ in their understanding of Jesus However one God in three persons is found throughout both Old and New Testament Getting to know God is critical for understanding the Bible Yet it seems that many people have not studied this thoroughly and have questions like Is Jesus truly

God If so how or why is Jesus the Son of God If Jesus knew everything as God why did he pray If Jesus is God could he have ever sinned What makes God the Father different What or who is the Holy Spirit This book answers all of those questions and more When people ask Does Jesus love me The answer is yes Jesus loves us all but this love is conditional The ways that Jesus loves us are from his own words and covered in the section Jesus loving How Jesus loves us was demonstrated when he sacrificed his life for us so that we might receive forgiveness and the promise of eternal life However not all will be saved There is only one way to heaven and the Bible says it is appointed for everyone to die once then face judgment Heb 9 27 So there will come a judgment day and whoever rejects Jesus will not have eternal life because God s punishment will remain on them Joh 3 36 The Bible also says many will abandon the faith 1 Ti 4 1 This book will help you become more secure in your faith by getting to know God in the Old Testament and knowing Jesus through the Old and New Testament as the Trinity is explained There is a spiritual battle going on and our eternal destiny is at stake Satan would like to separate you from God and one method is tempting you to doubt Beginning in Genesis 3 when tempting Eve he asked did God really say _____ Since then Satan has continued to insinuate we should doubt what God has said or that he can be trusted You may have heard or even repeated some of the following statements that presumably originated with Satan the father of lies Why would a loving God let bad things happen to good people Hell does not exist Why would a loving God send people to hell You do not really believe that Jesus is the only way to God do you That is narrow minded What about other spiritual leaders like the Buddha or Muhammad What about the people who never heard about Jesus When tempted by Satan Jesus quoted the Bible to refute him You need to be prepared to do the same This book is for everyone because most do not study the Bible Seemingly many Christians either just listen to sermons or only sporadically read the Bible Others may read the New testament but skip the Old thinking it is not relevant anymore or find it difficult to understand However we must consider the Bible as a whole to fully appreciate God To make it easy this book is written so you can skim scan or study like speedreading It includes verses and references to Scripture throughout It is like going through the Bible in chronological order As you grow in your knowledge about the Father Son and Holy Spirit you will find the Bible much easier to understand and draw nearer to God

The Holy Spirit and Worship Elizabeth A. Welch, 2020-12-15 The Holy Spirit has become a greater focus for attention in Trinitarian theology and in the life of the western church since the rise of Pentecostalism at the beginning of the twentieth century Different understandings of the Holy Spirit have impacted worship in a variety of ways This book looks at look at surprising overlaps in the thinking about relationship between the Holy Spirit and worship between two radically different traditions of the church represented by John Owen from the seventeenth century in England and John Zizioulas from the twentieth twenty first century in Greece Four threads of argument are identified flowing from the unexpected overlap between these two thinkers that are of value for the church today The first is the personal and relational nature of the Triune God drawing the human person into a deeper sense of relational identity The second is the immediacy of the encounter with

God through the Holy Spirit in worship The third is the way in which the Holy Spirit leads people into truth The fourth is the transformative nature of the encounter with God in worship which draws people into sharing God's purpose for the transformation of the world

The Trinity Mystery Sam Andersen, 2021-12-24 Unravel the mystery of the most unique part of Christianity the doctrine of the Trinity Follow the evidence from a recognition that the divine hand is always at work to monotheism to the revelation of the three persons of the Trinity Go beyond merely understanding the doctrine to considering how our understanding of God's nature not only influences our relationship to him but how it influences all areas of life ranging from our individual conduct to church life even to worldview government justice and our concepts of communication

The Nicene creed catechetically explained, with proofs from holy Scripture Henry Morton Thomson, 1905

A Teacher's Guide to Understanding the Trinity Samuel M. Powell, 2011-02 Why is the doctrine of the Trinity important Is it just one more thing to memorize and forget about later or is it something much more This concise in depth book explores this seemingly elusive doctrine its history and its meaning to the life of faith With exceptional insight and scholarly precision Samuel Powell brings this doctrine into sharp focus and demonstrates that more than an ancient relic of the church the doctrine of the Trinity is woven into the fabric of almost everything Christians believe At the very nexus of salvation the Trinity is a stirring and poignant model for love and relationship within community
