**Understanding Women** Rudo Kanhukamwe,2020-04-27 Being with a woman can be perfect and encapsulating Let alone being with a nagging ever complaining woman can seem hard to bear at times but it s often worthwhile to figure out what s going on and get it resolved It s at this point that men from all over the world are soul searching and looking for answers to questions like Why their women argue a lot Why their women are always picking on fights Why they always have to be right Even I as a woman I don t understand the choices of my female counterparts There is nothing better than watching two people flail through first impressions with sexual chemistry based on looks I heartily will point out that it takes communication open works of love and understanding compromising for a woman to be comfortable and passionately embraced I am not giving a judgemental douche nor criticising women Neither am I here to disparage any books written before mine this title attempts to ameliorate the way men view women and give an insight to what happens exactly transpires in their minds and how best they can conduct themselves If tempers mood swings shouting is what you are going home to on a daily basis This is your book you are my audience and I am your author Read this book and meditate while you relate As our fore fathers said Women you can t live with them you can t live without them
