Learning Lenormand Marcus Katz, Tali Goodwin, 2013. The Lenormand deck is a traditional French fortunetelling deck dating back to about 1850. It uses thirty six cards each with a symbolic image. This title explains its history and how to use it for fortune telling and personal insight.

Moonglow Michael Chabon, 2016-11-22. Moonglow unfolds as the deathbed confession of a man the narrator refers to only as my grandfather. It is a tale of madness of war and adventure of sex and marriage and desire of existential doubt and model rocketry of the shining aspirations and demonic underpinnings of American technological accomplishment at midcentury and above all of the destructive impact and the creative power of keeping secrets and telling lies. It is a portrait of the difficult but passionate love between the narrator's grandfather and his grandmother an enigmatic woman broken by her experience growing up in war torn France. It is also a tour de force of speculative autobiography in which Chabon devises and reveals a secret history of his own imagination.
