Smilers Bones:

Smiler's Bones Peter Lerangis,2007 A hugely fascinating Kirkus wonderful VOYA historical novel based on the harrowing true story of Minik an Eskimo boy seized in the name of exploration and brought to New York in the 1900s In 1897 famed explorer Robert Peary took six Eskimos from their homes in Greenland to be presented to the American Museum of Natural History Among the six were a father and a son Soon four were dead including the father whose bones unbeknownst to the son were put on display One returned to Greenland And the other the young boy remained the only Eskimo in New York for twelve years His name was Minik This is his story A story of lies and deceptions A story about the price of exploration A story about discovering the truth of a culture *The Taste of Tiny Bones* Vincent Heselwood,2024-07-04 No one knows where he came from He s what lingers in the shadows behind you when you turn off the lights and race up the stairs The darkness beneath the bed that keeps your feet tucked tightly under the covers The Bogeyman But Evie Creepy Morenson has unknowingly found a way to make him something more than what he was something much more vicious something much more hungry A simple blog post causes new nightmares to start new fears that give him new life and now something is very very wrong She s lost control of the monster she created and children are starting to die Will she and Detective Ezra Dean find a way to stop him before he goes viral You thought you were afraid of the Boogeyman before Just wait *Mr. Bones* Paul Theroux,2014-09-30 Suave and accomplished The stories are unsettling resistant to tidy denouement and faintly misanthropic Washington Post Beneath the deceptive elegance of these stories land mines lurk and Theroux detonates them with gusto O the Oprah Magazine A family watches their patriarch transform into the singing wisecracking lead of an old timey minstrel show An art collector publicly destroys his most valuable pieces Two boys stand by as their father wages war on the raccoons living under their house In this new collection acclaimed author Paul Theroux shows us humanity possessed consumed by compulsive desire always with his carefully honed eye for detail and the subtle idiosyncrasies that bring his characters to life Searing dark and sure to unsettle *Mr Bones* is a stunning display of Theroux s fluent faintly sinister powers of vision and imagination The New Yorker Fans of Theroux s fiction will be pleased to observe in the twenty stories collected in *Mr Bones* clear evidence of how little he has mellowed over time *Mr Bones* is a series of characteristically dark and sharply focused snapshots from the world that Paul Theroux has observed and invented Francine Prose New York Times Book Review *Smiler's Bones* Peter Lerangis,2007-02-01 Provides the story of an Eskimo boy who after being brought from his home in Greenland to New York City by explorer Robert Peary was forced to deal with the death of his father and the loss of everything familiar to him **The Loop Trilogy (The Loop, The Block, The Arc) ebook bundle** Ben Oliver,2022-12-08 Luka Kane has been inside hi tech prison the Loop for over two years A death sentence is hanging over his head but his day to day routine is mind numbingly repetitive Then everything changes Soon Luka has to face a new reality breaking out of the Loop might be his only chance to save himself and the world **The Loop** Ben

Oliver,2020-04-07 A script ready story with blockbuster potential Kirkus Starred Review Life inside The Loop the futuristic death row for teens under eighteen is one long repetitive purgatory But when news of the encroaching chaos in the outside world reaches the inmates and disorder begins to strike the prison becomes the least of their worries Perfect for fans of The Maze Runner and The Fifth Wave It s Luka Kane s 16th birthday and he s been inside The Loop for over two years Every inmate is serving a death sentence with the option to push back their execution date by six months if they opt into Delays scientific and medical experiments for the benefit of the elite in the outside world But rumors of a war on the outside are spreading amongst the inmates and before they know it their tortuous routine becomes disrupted The government issued rain stops falling Strange things are happening to the guards And it s not long until the inmates are left alone inside the prison Were the chains that shackled Luka to his cell the only instruments left to keep him safe In a thrilling shift he must overcome fellow prisoners hell bent on killing him the warden losing her mind the rabid rats in the train tunnels and a population turned into murderous monsters to try and break out of The Loop save his family and discover who is responsible for the chaos that has been inflicted upon the world

The Winding Road to West Egg Robert Roulston,Helen Roulston,1994 F Scott Fitzgerald s early short stories even more than his first two novels This Side of Paradise and The Beautiful and Damned reveal both a growing mastery of his craft and an evolution of the themes and techniques that distinguish The Great Gatsby and his major later works Indeed features of Gatsby that Fitzgerald supposedly absorbed from Joseph Conrad Willa Cather William Makepeace Thackeray Oswald Spengler and T S Eliot sometimes appear in stories Fitzgerald wrote before reading such putative sources Scholars Robert and Helen H Roulston examine Fitzgerald s fiction up to the completion of The Great Gatsby and briefly survey his later career in The Winding Road to West Egg
