## Stone Bow Prayer:

*Stone Bow Prayer* Amy Uyematsu, 2005-01-01 Uyematsu's poems articulate a distinct perspective a life defined by poetry mathematics and Asian identity The Great Expanse of You Charles O'Leary, 2025-12-05 The Great Expanse of You is a journey of discovery that uses the creational power of faith drawn from the reader's inherent divinity to create a life of joy love gratitude and prosperity The power of faith to create one's great expanse is a formidable force of transformation The author walks side by side with the reader as they progress from novice to expert to harness the creational power to create the life they have always wanted The journey into one's great expanse requires the reader to surrender and engage the totality of their being for their great expanse to come to fruition This journey is no small undertaking as it encompasses significant changes within the conscious and unconscious mind the body and the spirit to comprehend use and exist with this newly acquired creative power For those who are willing to step into the breach of their existential self and under the love and direction of the author's philosophical and practical teachings the reader's life will transform beyond measure from the life they are currently living into their great expanse which lovingly awaits them as they choose it and will it into existence
