Making Mathematics with Needlework Sarah-Marie Belcastro, Carolyn Yackel, 2007-12-12 Mathematical craftwork has become extremely popular and mathematicians and crafters alike are fascinated by the relationship between their crafts The focus of this book written for mathematicians needleworkers and teachers of mathematics is on the relationship between mathematics and the fiber arts including knitting crocheting cross stitch and quilting Each chapter starts with an overview of the mathematics and the needlework at a level understandable to both mathematicians and needleworkers followed by more technical sections discussing the mathematics how to introduce the mathematics in the classroom through needlework and how to make the needlework project including patterns and instructions **To Love A Soldier** Marie Roy, 2011-07 Lia Stewart and Sean McIntyre were all set to elope one supposedly magical midsummer s evening Lia waited for Sean to show up and he never did Years later Lia occasionally why Sean never appeared Her broken heart mended she eventually goes on with her life Meanwhile Sean had joined the military during the Vietnam War He survived came home and made a business for himself Tempers had flared that one hot summer over 30 years ago and once again Eliah and Sean are pitted against each other this time over land development Lia comes to her father s rescue but is forced to face the man who left her waiting in the pouring rain so many years before How can she fight her feelings for Sean and at the same time come up with a compromise between him and her father when the two can t stand each other Will Lia and Sean be able to overcome their hurt feelings toward one another as they again begin to fall in love Or will Eliah s machinations once again destroy this fragile developing love Roy develops her characters so well that the reader wants to hate Eliah for his duplicity but can t help feeling sorry for him instead Eliah is so bitter but helpless He ends up seriously hurt during one of his stop Sean escapades and Lia and Sean must overcome their anger to solve the land development dilemma But will a trunk full of secrets bring them the resolution both of them want yet fight against Or can one never truly go back to the past Sean is also well

developed His boyish charms allows the reader to fall in love with him as Lia did those many years previous The reader completely understands why Lia was so devastated when he left As Lia s and Sean s summer romance unfolds and we learn the story of their love in the 1960 s the reader can t help but feel the breathless anticipation of young love One is brought back with Lia and Sean to their first love and the memories weave their spell as Roy weaves hers The most poignant part of the novel is when Sean and Lia see each other for the first time again after so many years Despite dirt sweat and wrinkles each see in each other the people they once were The people both wish to be again Roy s talent lies not only in the development of her main storyline but in the realistic tales of those who come into contact with Sean and Lia These other characters bounce off Lia and Sean to make the novel completely realistic One can t help but walk alongside the main characters and wonder what will happen next
