The Future of No Work: Master AI, Gain Superpowers, Earn More and Live by Your Own Rules Filip Drimalka, 2025-04-10

We have been told for ages that technology would make our lives easier. Instead, we increasingly find ourselves drowning in tedious tasks and feeling trapped in the daily grind, overflowing calendars, endless to-do lists, and a never-ending stream of interruptions. And since we're always connected, our work never seems to end. Fortunately, the AI revolution is here, and it's about to change everything. Imagine a world where technology finally starts taking care of all the boring stuff, so you can focus on what really matters to you. Where smart AI apps empower you to create anything you can imagine, and even things you never would have thought of. Where you have the power to redesign work around your life, not the other way around. This is the era of No Work. It's not about escaping work, but about using our skills and leveraging the possibilities unlocked by AI, so that our days are primarily comprised of the things we are passionate about. Because that's how we can create something extraordinary. Inside this book, you'll find hundreds of practical examples and tips: How to find, select, and use the right digital tools for anything you do. How to make your productivity skyrocket with AI and reclaim your time. How to do things your way with greater freedom by

automating more tasks How to craft the work you want whether you re an entrepreneur or an employee How to seize new opportunities and build a future proof career The book will provide you with loads of tips on the best apps and tools that are part of the AI revolution but the real magic is how it changes the way you think You ll learn new skills and timeless principles that will keep you ahead of the game no matter how AI changes the way we work

Remote Works Ali Greene, Tamara Sanderson, 2023-02-07. The future of work is here. You can no longer survive by copying and pasting old office techniques into a digital environment; it's exhausting, unproductive, and unsuccessful. There is a better way. Are you ready to rethink everything you know about how remote works? Drawing on their years of experience working at remote companies, DuckDuckGo and Automattic, plus dozens of interviews with leading experts, Ali Greene and Tamara Sanderson have written the ultimate playbook for managing remote teams. This book addresses challenges such as communicating effectively with fewer meetings, eliminating frustration over what tools to use, establishing team norms, and focusing on getting things done. You will learn how to work best remotely and create a workplace designed for freedom, flexibility, and focus. For decades, we've planned our lives around our work. Now it's time to intentionally design work to fit our lives.
