Lukka, 1993 Research into industrial production is a varied and far reaching activity and cannot be said to be the province of any one particular science Industrial production research is a subject which cannot be covered in any one or even several branches of study expertise in other fields of science is also needed for this research The guiding principle on which industrial production is based is to manufacture marketable quality products using the factors of production as economically as possible Only in this way can profitability be assured and future production be guaranteed Industrial centres have sprung up throughout the world in which the latest technological achievements have been applied with great success The 322 papers in this volume review current issues of production in an increasingly demanding working environment Current problems are analysed which can only be solved through worldwide production research which will also further industrial development The effects of both industrial production and the production of energy on the natural environment are examined in detail The articles presented in this book emphasise the need for flexibility and concentration of forces in production research in order to propose and implement approaches and solutions which can be adapted to continuously changing circumstances It is hoped that the readers of this volume will consider production research as an ongoing and open project

which requires multidisciplinary cooperation to cope with the many open questions on future industrial development throughout the world **PC World** ,1996 Business Periodicals Index ,2005 **Office Buildings** Thomas Arnold,2002 With some 70 international examples the authors and editors show how the new issues facing architects can be resolved Thematic contributions by experts in various disciplines discuss topics such as models of work organisation fa ade technology climatic regulation lighting etc This volume is a crucial standard work in the design of offices **World's War Events: Beginning with the departure of the first American destroyers for service abroad in April, 1917, and closing with the treaties of peace in 1919** Francis Joseph Reynolds,Allen Leon Churchill,1919 **Telecommuting For Dummies?** Minda Zetlin,2001-06-15 This friendly guide gives you thorough information on which industries fields regions etc are most amenable to telecommuting You ll find great tips on how to set up a home office and deal with the interruptions that arise when working at home Plus you get expert advice on how to stay involved and move ahead in your career Telecommuting For Dummies outlines the characteristics necessary to be a good telecommuter and the types of jobs that fit the telecommuting lifestyle as well as the benefits and disadvantages of telecommuting related to those jobs And once you ve decided that telecommuting is for you this book even addresses how to broach the subject with your manager Telecommuting For Dummies is the most comprehensive resource for the more than 40 million workers all over the world who telecommute This book gives you all the necessary information for switching from cubicle to home office while still advancing in your career status Mosaic and the Web ,1994 **PC/Computing** ,1996-05 Business, the Magazine for Office, Store and Factory ,1913 **Bulletin to Management** ,1994 The Economist ,1921 **Moving Picture World and View Photographer** ,1916 **The Dairy World** ,1923 **The Moving Picture World** ,1914
